## About this prospectus

This prospectus is part of a Registration Statement on Form S-3 that we filed with the SEC utilizing a “shelf” registration process. Under this shelf process, we may, from time to time, sell the securities described in this prospectus in one or more offerings. We have omitted parts of the registration statement in accordance with the rules and regulations of the SEC. This prospectus provides you only with a general description of the securities we may offer. Each time we sell securities using this prospectus, we will provide a prospectus supplement or prospectus supplements containing specific information about the terms of that offering. The prospectus supplement may also add to, update or change information contained in this prospectus. If there is any inconsistency between the information in this prospectus and any prospectus supplement, you should rely on the information in the prospectus supplement. You should read both this prospectus and any prospectus supplement together with additional information described under the heading “Where you can find more information” and “Incorporation by reference” before purchasing any of our securities. References to “securities” include any security that we might sell under this prospectus and any prospectus supplement. References to “\$” and “dollars” are to United States dollars.

This prospectus contains summaries of certain provisions contained in some of the documents described herein. Please refer to the actual documents for complete information. All of the summaries are qualified in their entirety by the actual documents. Copies of such documents have been filed, or will be filed or incorporated by reference as exhibits to the registration statement of which this prospectus is a part, and you may obtain copies of those documents as described under “Where you can find more information” and “Incorporation by reference.”

**You should rely only on the information contained or incorporated by reference in this prospectus or applicable prospectus supplement or any free writing prospectus. “Incorporated by reference” means that we can disclose important information to you by referring you to another document filed separately with the SEC. We have not authorized anyone to provide you with different or additional information. We are not making an offer to sell these securities in any jurisdiction where the offer or sale of these securities is not permitted. You should assume that the information in this prospectus or any prospectus supplement or any related free writing prospectus, as well as the information incorporated by reference herein or therein, is accurate only as of the date of the document containing such information. Our business, financial condition, results of operations and prospects may have changed since those dates.**

In this prospectus and any prospectus supplement, unless otherwise indicated, the terms “Company,” “we,” “us” and “our” refer to Martin Marietta Materials, Inc. and its consolidated subsidiaries.

## **About the registrant**

We are a natural resource-based building materials company. We supply aggregates (crushed stone, sand and gravel) through our network of approximately 300 quarries, mines and distribution yards in 27 states, Canada and the Bahamas. In the southwestern and western United States, we also provide cement and downstream products, namely, ready mixed concrete, asphalt and paving services, in vertically-integrated structured markets where we have a leading aggregates position. Our heavy-side building materials are used in infrastructure, nonresidential and residential construction projects. Aggregates are also used in agricultural, utility and environmental applications and as railroad ballast.

We were formed in 1993 as a North Carolina corporation to serve as successor to the operations of the materials group of the organization that is now Lockheed Martin Corporation. Our principal executive offices are located at 2710 Wycliff Road Raleigh, North Carolina 27607-3033, and our telephone number is (919) 781-4550.

## **Risk factors**

Investment in the offered securities involves risks. Before acquiring any securities offered pursuant to this prospectus, you should carefully consider the information contained or incorporated by reference in this prospectus or in any accompanying prospectus supplement or any related free writing prospectus, including, without limitation, the risks described under the caption “Risk Factors” in our Annual Report on Form 10-K for the fiscal year ended December 31, 2019 and in our Quarterly Report on Form 10-Q for the quarter ended March 31, 2020, as the same may be updated from time to time by our subsequent filings with the SEC. The occurrence of any of these risks might cause you to lose all or a part of your investment in the offered securities. To the extent a particular offering implicates additional known material risks, we will include a discussion of those risks in the applicable prospectus supplement. Please also refer to the section below entitled “Forward-looking statements.”

## **Forward-looking statements**

This prospectus, including the information incorporated herein by reference, any prospectus supplement, any related free writing prospectus and the information incorporated by reference therein, contain statements which, to the extent they are not recitations of historical fact, constitute forward-looking statements within the meaning of federal securities law. Investors are cautioned that all forward-looking statements involve risks and uncertainties, and are based on assumptions that we believe in good faith are reasonable at the time the statements are made, but which may be materially different from actual results. Investors can identify these statements by the fact that they do not relate only to historic or current facts. The words “may,” “will,” “could,” “should,” “anticipate,” “believe,” “estimate,” “expect,” “forecast,” “intend,” “outlook,” “plan,” “project,” “scheduled,” and similar expressions in connection with future events or future operating or financial performance are intended to identify forward-looking statements. Any or all of the Company’s forward-looking statements in this prospectus, including the information incorporated herein by reference, any prospectus supplement, any related free writing prospectus and the information incorporated by reference therein and in other publications may turn out to be wrong.

Statements and assumptions on future revenues, income and cash flows, performance, economic trends, the outcome of litigation, regulatory compliance, and environmental remediation cost estimates are examples of forward-looking statements. Numerous factors, including those discussed in the documents referred to under the heading “Risk factors” which include our filings with the SEC referred to under the heading “Incorporation by reference” could affect our forward-looking statements and actual performance. You should consider all of our forward-looking statements in light of the factors discussed in those documents. In addition, other risks and uncertainties not presently known to us or that we currently consider immaterial could affect the accuracy of our forward-looking statements.

## [Table of Contents](#)

Except as required by law, we undertake no obligation to update any forward-looking statements in order to reflect any event or circumstance that may arise after the date of this prospectus.

### **Use of proceeds**

Unless otherwise indicated in a prospectus supplement, the net proceeds from the sale of securities offered by this prospectus and any applicable prospectus supplement will be used for general corporate purposes. Until we apply the proceeds from a sale of securities to their intended purposes, we may invest those proceeds in short-term investments, including repurchase agreements, some or all of which may not be investment grade.

### **Description of debt securities**

*The following description of the terms of the debt securities sets forth certain general terms and provisions of the debt securities to which any prospectus supplement may relate. The particular terms of the debt securities offered by any prospectus supplement and the extent, if any, to which these general provisions may apply to those debt securities will be described in the prospectus supplement relating to those debt securities. Accordingly, for a description of the terms of a particular issue of debt securities, reference must be made to both the prospectus supplement relating thereto and to the following description.*

We may issue senior or subordinated debt securities. We will issue the senior debt securities under an indenture, dated as of May 22, 2017 (the “senior indenture”), between us and Regions Bank, as trustee, and any supplemental indentures thereto. We will issue the subordinated debt securities under an indenture to be entered into between us and Regions Bank, as trustee, and any supplemental indentures thereto. We refer to the applicable indenture under which subordinated debt securities are issued as the “subordinated indenture.” We refer to the senior indenture and the subordinated indenture, collectively, as the “base indentures.”

As used in this prospectus, “debt securities” means our direct unsecured general obligations and may include debentures, notes, bonds or other evidences of indebtedness that we issue and the trustee authenticates and delivers under the applicable base indenture. The prospectus supplement relating to any offering of debt securities will describe more specific terms of the debt securities being offered.

Debt securities will be issued under a base indenture in one or more series established pursuant to a supplemental indenture or a resolution duly adopted by our board of directors or a duly authorized committee thereof. The base indentures do not limit the aggregate principal amount of debt securities that may be issued thereunder, or the amount of series that may be issued. We refer to the base indentures (together with each applicable supplemental indenture or resolution establishing the applicable series of debt securities) collectively in this prospectus as the “indentures.” The indentures will be subject to and governed by the Trust Indenture Act of 1939, as amended (the “Trust Indenture Act”).

The senior indenture and the form of the subordinated indenture have been filed as exhibits to the registration statement of which this prospectus forms a part. The following summaries of certain provisions of the base indentures do not purport to be complete and are subject to, and are qualified in their entirety by reference to, all provisions of the base indenture and the supplemental indenture or board resolution (including the form of debt security) relating to the applicable series of debt securities.

### **General**

The senior debt securities will be our unsecured obligations and will rank equally with all of our other senior debt from time to time outstanding. The subordinated debt securities will be subordinated in right of payment to the prior payment in full of our unsubordinated debt, including any senior debt securities, as described below under “—Subordinated indenture provisions—Subordination.”

## Table of Contents

Our secured debt will be effectively senior to the debt securities to the extent of the value of the assets securing such secured debt. Unless otherwise indicated in a prospectus supplement, the debt securities will be exclusively our obligations and not of our subsidiaries and therefore the debt securities will be structurally subordinated to the debt and liabilities of any of our subsidiaries.

The applicable prospectus supplement will describe the specific terms of each series of debt securities being offered, including some or all of the following:

- the title of the debt securities;
- the price at which the debt securities will be issued (including any issue discount);
- any limit on the aggregate principal amount of the debt securities;
- the date or dates (or manner of determining the same) on which the debt securities will mature;
- the rate or rates (which may be fixed or variable) per annum (or the method or methods by which such rate or rates will be determined) at which the debt securities will bear interest, if any, and the date or dates from which such interest will accrue;
- the date or dates on which such interest will be payable and the record dates for such interest payment dates and the basis upon which interest shall be calculated if other than that of a 360-day year of twelve 30-day months;
- if the trustee in respect of the debt securities is other than Regions Bank (or any successor thereto), the identity of the trustee;
- any mandatory or optional sinking fund or purchase fund or analogous provision for such debt securities;
- any provisions relating to the date after which, the circumstances under which, and the price or prices at which the debt securities may, pursuant to any optional or mandatory redemption provisions, be redeemed at our option or of the holder thereof and certain other terms and provisions of such optional or mandatory redemption;
- if the debt securities are denominated in other than U.S. dollars, the currency or currencies (including composite currencies) in which the debt securities are denominated;
- if payments of principal (and premium, if any) or interest, if any, in respect of the debt securities are to be made in a currency other than U.S. dollars or the amounts of such payments are to be determined with reference to an index based on a currency or currencies other than that in which the debt securities are denominated, the currency or currencies (including composite currencies) or the manner in which such amounts are to be determined, respectively;
- if other than or in addition to the events of default described in the base indentures, the events of default with respect to the debt securities of that series;
- any provisions relating to the conversion of debt securities into debt securities of another series or shares of our capital stock or any other equity securities;
- for the subordinated debt securities, whether the specific subordination provisions applicable to the subordinated debt securities are other than as set forth in the subordinated indenture;
- any provisions restricting defeasance of the debt securities;
- any covenants or other restrictions on our operations;
- conditions to any merger or consolidation; and
- any other terms of the debt securities.

Unless otherwise indicated in a prospectus supplement in respect of which this prospectus is being delivered, principal of, premium, if any, and interest, if any, on the debt securities (other than debt securities

## [Table of Contents](#)

issued as global securities) will be payable, and the debt securities (other than debt securities issued as global securities) will be exchangeable and transfers thereof will be registrable, at the office of the trustee with respect to such series of debt securities and at any other office maintained at that time by us for such purpose; provided that, at our option, payment of interest may be made by check mailed to the address of the holder as it appears in the register of the debt securities.

Unless otherwise indicated in a prospectus supplement relating thereto, the debt securities will be issued only in fully registered form, without coupons, in minimum denominations of \$2,000 and integral multiples of \$1,000 thereafter. For certain information about debt securities issued in global form, see “—Global securities” below. No service charge shall be made for any registration of transfer or exchange of the securities, but we may require payment of a sum sufficient to cover any transfer tax or other governmental charge payable in connection therewith.

Debt securities bearing no interest or interest at a rate that at the time of issuance is below the prevailing market rate will be sold at a discount below their stated principal amount. Special U.S. federal income tax considerations applicable to any such discounted debt securities or to certain debt securities issued at par which are treated as having been issued at a discount for U.S. federal income tax purposes will be described in the prospectus supplement in respect of which this prospectus is being delivered, if applicable.

Debt securities may be issued, from time to time, with the principal amount payable on the applicable principal payment date, or the amount of interest payable on the applicable interest payment date, to be determined by reference to one or more currency exchange rates or other factors. In such cases, holders of such debt securities may receive a principal amount on any principal payment date, or a payment of interest on any interest payment date, that is greater than or less than the amount of principal or interest payable on such dates, depending upon the value on such dates of the applicable currency or other factor. Information, if any, as to the methods for determining the amount of principal or interest payable on any date, the currencies or the factors to which the amount payable on such date is linked and certain additional tax considerations applicable to the debt securities will be set forth in a prospectus supplement in respect of which this prospectus is being delivered.

The indentures provide that the trustee and the paying agent shall promptly pay to us upon request any money held by them for the payment of principal (and premium, if any) or interest that remains unclaimed for two years.

The base indentures do not limit the amount of additional unsecured indebtedness that we or any of our subsidiaries may incur. Unless otherwise specified in the resolutions or in any supplemental indenture establishing the terms of the debt securities, the terms of the debt securities do not afford holders of the debt securities protection in the event of a highly leveraged or other similar transaction involving us that may adversely affect the holders of the debt securities. Debt securities of any particular series need not be issued at the same time and, unless otherwise provided, a series may be re-opened, without the consent of the holders of such debt securities, for issuances of additional debt securities of that series, unless otherwise specified in the resolutions or any supplemental indenture establishing the terms of the debt securities.

### **Global securities**

The debt securities of a series may be issued in whole or in part in the form of one or more global securities that will be deposited with the depository identified in the applicable prospectus supplement. Unless it is exchanged in whole or in part for debt securities in definitive form, a global security may not be transferred. However, transfers of the whole security between the depository for that global security and its nominees or its respective successors are permitted.

Unless otherwise provided in the applicable prospectus supplement, The Depository Trust Company, New York, New York, which we refer to in this prospectus as “DTC” will act as depository for each series of global securities. Beneficial interests in global securities will be shown on, and transfers of global securities will be effected only through, records maintained by DTC and its participants.

## **Amendment, supplement and waiver**

Subject to certain exceptions, the indentures or the debt securities of any series may be amended or supplemented with the written consent of the holders of not less than a majority in principal amount of the then outstanding debt securities of the affected series; provided that we and the trustee may not, without the consent of the holder of each outstanding debt security of such series affected thereby: (a) reduce the amount of debt securities of such series whose holders must consent to an amendment, supplement or waiver, (b) reduce the rate of or extend the time for payment of interest on any debt security of such series, (c) reduce the principal of or extend the fixed maturity of any debt security of such series, (d) reduce the portion of the principal amount of a discounted security of such series payable upon acceleration of its maturity or (e) make any debt security of such series payable in money other than that stated in such debt security. Any past default or compliance with any provisions may be waived with the consent of the holders of a majority in principal amount of the debt securities of the affected series, except a default in payment of principal or interest or in respect of other provisions requiring the consent of the holder of each such debt security of that series in order to amend. Without the consent of any holder of debt securities of such series, we and the trustee may amend or supplement the indentures or the debt securities without notice: (1) to cure any ambiguity, omission, defect or inconsistency, (2) to conform the text of the indenture or the debt securities to their respective descriptions in the prospectus related to such series, (3) to provide for uncertificated debt securities in addition to or in place of certificated debt securities, (4) to comply with the provisions of the applicable indenture concerning mergers, consolidations and transfers of all or substantially all of our assets, (5) to appoint a trustee other than Regions Bank (or any successor thereto) as trustee in respect of one or more series of debt securities, or (6) to add, change or eliminate provisions of the applicable indenture as shall be necessary or desirable in accordance with any amendment to the Trust Indenture Act. In addition, without the consent of any holder of debt securities, we and the trustee may amend or supplement the indentures or the debt securities to make any change that does not materially adversely affect the rights of any holder of that series of debt securities. Whenever we request the trustee to take any action under the indentures, including a request to amend or supplement the applicable indenture without the consent of any holder of debt securities, we are required to furnish the trustee with an officers' certificate and an opinion of counsel to the effect that all conditions precedent to the action have been complied with and, in the case of amendments or waivers, that such waiver or amendment is authorized or permitted under the applicable indentures. Without the consent of any holder of debt securities, the trustee may waive compliance with any provisions of the indentures or the debt securities if the waiver does not, in the determination of the company, materially adversely affect the rights of any such holder.

## **Default and remedies**

An "Event of Default" under the indentures in respect of any series of debt securities is:

(1) default for 30 days in payment of any interest on the debt securities of that series;

(2) default in payment of any principal of, or premium, if any, on the debt securities of that series when due;

(3) failure by the Company for 90 days, after notice to it, to comply with any of its other agreements in the debt securities of that series or the applicable indenture for the benefit of holders of debt securities of that series;

(4) certain events of bankruptcy or insolvency applicable to the Company; and

(5) any other event of default specifically provided for by the terms of such series, as described in the related prospectus supplement.

If an Event of Default in respect of the debt securities of a particular series (other than as referred to in clause (4) above) occurs and is continuing, the trustee or the holders of at least 25% in principal amount of the then outstanding debt securities of the affected series may declare the debt securities of that series to be due and payable immediately, but under certain conditions such acceleration may be rescinded by the holders of a majority in principal amount of the outstanding debt securities of the affected series. If an Event of Default

## [Table of Contents](#)

referred to in clause (4) above occurs and is continuing, the principal of and interest on, all of the then outstanding debt securities will become immediately due and payable without any declaration or other act on the part of the trustee or the holders of such debt securities.

No holder of debt securities may pursue any remedy against the Company under the applicable indenture (other than with respect to the right to receive any payment of principal, premium, if any, or interest due in respect of the debt securities of such series) unless such holder previously shall have given to the trustee written notice of default and unless the holders of at least 25% in principal amount of the debt securities of the affected series shall have made a written request to the trustee to pursue the remedy and shall have offered the trustee indemnity satisfactory to it, the trustee shall not have complied with the request within 60 days of receipt of the request and the offer of indemnity, and the trustee shall not have received direction inconsistent with the request during such 60-day period from the holders of a majority in principal amount of the debt securities of the affected series.

Holders of debt securities may not enforce the indentures or the debt securities except as provided in the applicable indenture. The trustee may refuse to enforce the indentures or the debt securities unless it receives indemnity satisfactory to it from the Company or, under certain circumstances, the holders of debt securities seeking to direct the trustee to take certain actions under the applicable indenture against any loss, liability or expense.

Subject to certain limitations, holders of a majority in principal amount of the debt securities of any series may direct the trustee in its exercise of any trust or power under the applicable indenture in respect of that series. The indentures provide that the trustee will give to the holders of debt securities of any particular series notice of all events of default actually known to it, within 90 days after the trustee obtains actual knowledge of any event of default with respect such debt securities, unless the event of default shall have been cured or waived. The trustee may withhold from holders of debt securities notice of any continuing event of default (except a default in any payment of principal, premium, if any, or interest due in respect of such debt securities) if it determines in good faith that withholding such notice is in the interests of such holders. The Company is required annually to certify to the trustee as to the compliance by the Company with certain covenants under the applicable indenture and the absence of a default thereunder, or as to any such default that existed.

A director, officer, employee or stockholder, as such, of the Company shall not have any liability for any obligations of the Company under the debt securities or the indentures or for any claim based on, in respect of, or by reason of, such obligations or their creation. By accepting a debt security, the holder of such debt security waives and releases all such claims and liability. This waiver and release are part of the consideration for the issue of the debt securities.

### **Satisfaction, discharge and defeasance**

The indentures provide, unless such provision is made inapplicable to the debt securities of any series issued pursuant to the applicable indenture, that we may, subject to certain conditions described below, discharge our indebtedness and our obligations or certain of our obligations under the applicable indenture in respect of debt securities of a series by depositing funds or, in the case of debt securities payable in U.S. dollars, U.S. government obligations or debt securities of the same series with the trustee. The indentures provide that, upon satisfaction of certain conditions (1) we will be discharged from any obligation to comply with certain obligations under the indentures and any noncompliance with such obligations shall not be an event of default in respect of the series of debt securities or (2) we will be discharged from any and all obligations in respect of the series of debt securities (except for certain obligations, including obligations to register the transfer and exchange of the debt securities of such series, to replace mutilated, destroyed, lost or stolen debt securities of such series, to maintain paying agencies and to cause money to be held in trust), in either case upon the deposit with the trustee, in trust, of money, debt securities of the same series and/or U.S. government obligations that, through the payment of interest and principal in accordance with their terms, will provide money in an amount sufficient to

## [Table of Contents](#)

pay the principal of and each installment of interest on the series of debt securities on the date when such payments become due in accordance with the terms of the applicable indenture and the series of debt securities. Unless otherwise indicated in a prospectus supplement, in the event of any such defeasance under clause (1) above, our other obligations under the applicable indenture and the debt securities of the affected series shall remain in full force and effect. In the event of a discharge under clause (2) above, the holders of debt securities of the affected series are entitled to payment only from the trust fund created by such deposit for payment. Prospective purchasers should consult their tax advisors as to the possible tax effects of such a defeasance and discharge.

In connection with the defeasance of all or certain of our obligations under the indentures as provided above, we from time to time may elect to substitute U.S. government obligations or debt securities of the same series for any or all of the U.S. government obligations deposited with the trustee; provided that the money, U.S. government obligations and/or debt securities of the same series in trust following such substitution or substitutions will be sufficient, through the payment of interest and principal in accordance with their terms, to pay the principal of and each installment of interest on the series of debt securities on the date when such payments become due in accordance with the terms of the applicable indenture and the series of debt securities. The indentures also may enable us (1) to direct the trustee to invest any money received by the trustee in the U.S. government obligations comprising the trust in additional U.S. government obligations and (2) to withdraw monies or U.S. government obligations from the trust from time to time; provided that the money and/or U.S. government obligations in trust following such withdrawal will be sufficient, through the payment of interest and principal in accordance with their terms, to pay the principal of and each installment of interest on the series of debt securities on the date when such payments become due in accordance with the terms of the applicable indenture and the series of debt securities.

### **Subordinated indenture provisions**

The subordinated debt securities will be issued under the subordinated indenture. The subordinated debt securities will rank on an equal basis with certain of our other subordinated debt that may be outstanding from time to time and will rank junior to all of our senior debt, as defined below, including any senior debt securities that may be outstanding from time to time.

*Subordination.* Holders of subordinated debt securities should recognize that contractual provisions in the subordinated indenture may prohibit us from making payments on those securities. Subordinated debt securities are subordinate and junior in right of payment, to the extent and in the manner stated in the subordinated indenture or any supplement thereto to all of our senior debt, including all debt securities we have issued and will issue under the senior indenture.

As used in the subordinated indenture and this prospectus, the term “senior debt” means the principal, premium, if any, unpaid interest and all fees and other amounts payable in connection with any debt for money borrowed other than (1) debt incurred (a) with respect to certain elections under the federal bankruptcy code, (b) debt to our subsidiaries, (c) debt to our employees, (d) tax liability and (e) certain trade payables, (2) all obligations under interest rate, currency and commodity swaps, caps, floors, collars, hedge arrangements, forward contracts or similar agreements and (3) renewals, extensions, modifications and refunds of any such debt.

Unless otherwise indicated in the applicable prospectus supplement, we may not pay principal of, premium, if any, sinking fund or interest, if any, on any subordinated debt securities if:

- a default on senior debt exists that permits the holders of such senior debt to accelerate its maturity, and
- the default is the subject of judicial proceedings or we have received notice of such default.

We may resume payments on the subordinated debt securities when full payment of amounts then due for principal, premium, if any, sinking funds and interest on senior debt has been made or duly provided for.

## [Table of Contents](#)

Unless otherwise indicated in the applicable prospectus supplement, if there is any payment or distribution of our assets to creditors upon a total or partial liquidation or a total or partial dissolution or in a bankruptcy, reorganization, insolvency, receivership or similar proceeding, holders of all present and future senior debt (which will include interest accruing after, or which would accrue but for, the commencement of any bankruptcy, reorganization, insolvency, receivership or similar proceeding) are entitled to receive payment in full of the principal, premium, if any and interest due thereon before holders of the subordinated debt securities are entitled to receive any payment on the subordinated debt securities. In addition, any payments or distributions of our assets, whether in cash, property or securities which would otherwise be made on subordinated debt securities will generally be paid to the holders of senior debt, or their representatives, in accordance with the priorities existing among these creditors at that time until the senior debt is paid in full.

If the trustee under the subordinated indenture or any holders of the subordinated debt securities receive any payment or distribution of assets that is prohibited under the subordination provisions, before all senior debt is paid in full, such payment or distribution must be paid over to the holders of the senior debt.

After payment in full of all present and future senior debt, holders of subordinated debt securities will be subrogated to the rights of any holders of senior debt to receive payments or distributions that are applicable to the senior debt until all the subordinated debt securities are paid in full.

Even if the subordination provisions prevent us from making any payment when due on the subordinated debt securities of any series, we will be in default on our obligations under that series if we do not make the payment when due. This means that the trustee under the subordinated indenture and the holders of that series can take action against us, but they will not receive any money until the claims of the holders of senior debt have been fully satisfied.

### **Governing law**

The debt securities and the indentures will be governed by the laws of the State of New York.

### **The trustee**

Regions Bank is a lender under our credit facilities, the trustee for our 4.250% senior notes due 2024, floating rate senior notes due 2020, 3.450% senior notes due 2027, 3.500% senior notes due 2027, 2.500% senior notes due 2030 and 4.250% senior notes due 2047 and from time to time performs other services for us in the normal course of business.

### **Description of capital stock**

*The following description of the terms of the capital stock we may issue summarizes certain portions of the North Carolina Business Corporation Act (the "Business Corporation Act"), our restated articles of incorporation, as amended, and our restated bylaws relating to our capital stock and sets forth certain general terms and provisions of capital stock to which any prospectus supplement may relate. Particular terms of the capital stock offered by any prospectus supplement and the extent, if any, to which these general terms and provisions will apply to any series of capital stock so offered will be described in the prospectus supplement relating to the applicable capital stock. The applicable prospectus supplement may also state that any of the terms set forth in this description are inapplicable to such series of capital stock. This description does not purport to be complete and is subject to and qualified in its entirety by reference to applicable provisions of the Business Corporation Act, our restated certificate of incorporation, as amended, and our restated bylaws relating to our capital stock.*

### **Common stock**

We may issue shares of our common stock, either separately or together with other securities offered pursuant to this prospectus. Under our restated articles of incorporation, we are authorized to issue up to

## [Table of Contents](#)

100,000,000 shares of our common stock, par value of \$0.01 per share. At March 31, 2020, there were 62,154,576 shares of our common stock issued and outstanding. You should read the applicable prospectus supplement relating to an offering of shares of our common stock, or of securities convertible, exchangeable or exercisable for shares of our common stock, for the terms of such offering, including the number of shares of common stock offered, the initial offering price and the market prices and dividend information relating to our common stock.

Each holder of a share of our common stock is entitled to one vote for each share held of record on the applicable record date on each matter voted on at a meeting of shareholders. The holders of our common stock have no preemptive rights and no rights to convert their common stock into any other securities. There are also no redemption or sinking fund provisions applicable to our common stock.

Holders of our common stock are entitled to receive dividends as may be declared from time to time by our board of directors out of funds legally available therefor. Holders of our common stock are entitled to share pro rata, upon any liquidation or dissolution of the Company, in all remaining assets available for distribution to shareholders after payment or providing for the Company's liabilities and the liquidation preference of any outstanding preferred stock. The rights, preferences and privileges of the holders of our common stock are subject to and may be adversely affected by the rights of holders of shares of any series of our preferred stock that we may designate and issue in the future.

### **Preferred stock**

We currently have authorized 10,000,000 shares of preferred stock, par value of \$0.01 per share. There are no shares of preferred stock issued and outstanding as of the date of this prospectus.

### **General**

Our board of directors is authorized to establish from time to time one or more series of preferred stock, the number of shares to be included in any series of preferred stock, and to fix the designations, preferences, limitations and relative rights of the shares of such series. The specific terms of any preferred stock to be sold under this prospectus will be described in the applicable prospectus supplement. If so indicated in such prospectus supplement, the terms of the preferred stock offered may differ from the general terms set forth below. Unless otherwise specified in the prospectus supplement relating to the preferred stock offered thereby, each series of preferred stock offered will rank equal in right of payment to all other series of our preferred stock, and holders thereof will have no preemptive rights. The preferred stock offered will, when issued, be fully paid and nonassessable.

You should read the applicable prospectus supplement for the terms of the preferred stock offered. The terms of the preferred stock set forth in such prospectus supplement may include the following, as applicable to the preferred stock offered thereby:

- the title and stated value of the preferred stock;
- the number of shares of the preferred stock offered;

- whether dividends on the preferred stock are cumulative;

## Table of Contents

- the redemption provisions, if applicable, for the preferred stock;
- whether the preferred stock will be convertible into or exchangeable for other securities and, if so, the terms and conditions of conversion or exchange, including the conversion price or exchange ratio and the conversion or exchange period or the method of determining the same;
- whether the preferred stock will have voting rights and, if so, the terms of such voting rights;
- whether the preferred stock will be listed on any securities exchange;
- whether the preferred stock will be issued with any other securities and, if so, the amount and terms of such other securities; and
- any other specific terms, preferences or rights of, or limitations or restrictions on, the preferred stock.

Our authorized shares of common stock and preferred stock are available for issuance without further action by our shareholders, unless such action is required by applicable law or the rules of the stock exchange or automated quotation system on which our securities may be listed or trade. If the approval of our shareholders is not required for the issuance of shares of our common stock or preferred stock, our board of directors may determine to issue such shares without seeking shareholders' approval.

Our board of directors could issue a series of preferred stock that could, depending on the terms of such series, delay, defer or prevent a change in control of the Company. Any determination to issue such shares will be made by our board of directors based on its judgment as to the best interests of the Company and our shareholders. Our board of directors, in so acting, could issue preferred stock having terms that could discourage an attempt to acquire the Company, including tender offers or other transactions that some, or a majority, of our shareholders might believe to be in their best interests, or in which our shareholders might receive a premium for their stock over the then current market price of such stock.

### **Transfer agent and registrar**

The transfer agent and registrar for our common stock is American Stock Transfer & Trust Company. Its address is 6201 15th Avenue, Brooklyn, NY 11219 and its telephone number is (800) 937-5449. The transfer agent and registrar of our preferred stock will be designated in the prospectus supplement through which such preferred stock is offered.

### **Listing**

Our common stock is listed and traded on The New York Stock Exchange under the symbol "MLM."

### **Certain anti-takeover matters**

A number of provisions in our restated articles of incorporation, our restated bylaws and the Business Corporation Act may make it more difficult to acquire control of us or remove our management.

*Removal of Directors.* Directors may be removed only for cause by a majority vote of the shareholders. Cause for removal is deemed to exist only if the director has been convicted in a court of competent jurisdiction of a felony or has been adjudged by a court of competent jurisdiction to be liable for fraudulent or dishonest conduct, or gross abuse of authority or discretion, with respect to the Company, and such conviction or adjudication has become final and non-appealable. If a director is elected by a voting group of our shareholders, only such shareholders may participate in the vote to remove such director.

*Approval of Certain Share Repurchases, Mergers, Consolidations, Sales and Leases.* Our restated articles of incorporation require any purchase by us of shares of our voting stock from an interested shareholder (as defined

## Table of Contents

below) who has beneficially owned such securities for less than two years prior to the date of such purchase or any agreement to purchase, other than pursuant to an offer to all shareholders of the same class of shares, at a per share price in excess of the market price, be approved by the affirmative vote of the holders of a majority of our voting stock not beneficially owned by the interested shareholder, voting together as a single class.

In addition, our restated articles of incorporation require us to get the approval of not less than 66 <sup>2</sup>/<sub>3</sub>% of our voting stock not beneficially owned by an interested shareholder and 80% of all our voting stock, in addition to any vote required by law, before we may enter into various transactions with interested shareholders, including the following:

- any merger or consolidation of the Company or any of our subsidiaries with (i) any interested shareholder or (ii) any other corporation (whether or not itself an interested shareholder) which is, or after such merger or consolidation would be, an affiliate of an interested shareholder;
- any sale, lease, exchange, mortgage, pledge, transfer, or other disposition to or with any interested shareholder or any affiliate of any interested shareholder of any of our assets or any of our subsidiaries having an aggregate fair market value of \$10,000,000 or more;
- the issuance or transfer by us or any of our subsidiaries of any of our equity securities (including any security convertible into equity securities) or any of our subsidiaries having an aggregate fair market value of \$10,000,000 or more to any interested shareholder or any affiliate of any interested shareholder in exchange for cash, securities, and/or other property;
- the adoption of any plan or proposal for the liquidation or dissolution of the Company proposed by or on behalf of an interested shareholder or any affiliate of any interested shareholder; or
- any reclassification of securities or recapitalization of the Company, or any merger or consolidation of the Company with any of our subsidiaries, or any other transaction (whether or not involving an interested shareholder) which has the effect, directly or indirectly, of increasing the proportionate share of the outstanding shares of any class of equity (including any securities convertible into equity securities) securities of the Company or any subsidiary which is directly or indirectly owned by any interested shareholder or any affiliate of any interested shareholder.

However, no such vote is required for (A) the purchase by us of shares of voting stock from an interested shareholder unless such vote is required by the first paragraph of this subsection, or (B) any transaction approved by a majority of our disinterested directors.

Our restated articles of incorporation define an interested shareholder as any individual, firm, corporation, partnership, or other entity who or which:

- is the beneficial owner, directly or indirectly, of 5% or more of our outstanding voting stock;
- is our affiliate and at any time within the two-year period immediately prior to the date as of which a determination is being made was the beneficial owner, directly or indirectly, of 5% or more of our outstanding voting stock; or
- is an assignee of or successor to any shares of our voting stock that were at any time within the immediately prior two-year period beneficially owned by any person described in above if such assignment or succession occurred in the course of one or more transactions not involving a public offering.

*Advance Notice of Proposals and Nominations.* Our restated bylaws provide that shareholders must provide timely written notice to bring business before an annual meeting of shareholders or to nominate candidates for election as directors at an annual meeting of shareholders. Generally, to be timely, notice for an annual meeting must be received at our principal office not less than 60 days nor more than 90 days prior to the first anniversary of the mailing of the preceding year's proxy statement in connection with the annual meeting of shareholders.

## [Table of Contents](#)

Our restated bylaws also specify the form and content of a shareholder's notice. These provisions may prevent shareholders from bringing matters before an annual meeting of shareholders or from nominating candidates for election as directors at an annual meeting of shareholders.

*Limits on Special Meetings.* A special meeting of the shareholders may be called only by the chairman of our board of directors, the president, the board of directors or the executive committee of the board of directors

*Action by Unanimous Written Consent.* Under the Business Corporation Act, shareholders of a publicly-traded corporation may take action by written consent only with the consent of all shareholders entitled to vote on the action.

### **Indemnification of directors, officers and employees**

Our restated bylaws provide that we shall indemnify, to the full extent permitted by law, any person who at any time serves or has served as one of our officers, employees or directors, or who, while serving as such serves or has served at our request as a director, officer, partner, trustee, employee or agent of another enterprise, or as a trustee, other fiduciary or administrator under an employee benefit plan, against expenses, including attorneys' fees, incurred by him or her in connection with any threatened, pending or completed action, suit or proceeding (including appeals), whether or not brought by or on our behalf, seeking to hold him or her liable by reason of the fact that such person is or was acting in such capacity, and payments made by such person in satisfaction of any liability, judgment, money decree, fine, penalty or settlement for which he or she may have become liable in any such action, suit or proceeding.

### **Description of warrants**

*We may issue warrants to purchase debt securities, preferred stock, common stock or any combination thereof. Such warrants may be issued independently or together with any such securities and may be attached or separate from such securities. We will issue each series of warrants under a separate warrant agreement to be entered into between us and a warrant agent. The warrant agent will act solely as our agent and will not assume any obligation or relationship of agency for or with holders or beneficial owners of warrants. The following summary of certain provisions of the warrants does not purport to be complete and is subject to, and qualified in its entirety by reference to, the provisions of the warrant agreement that will be filed with the SEC in connection with the offering of such warrants.*

### **General**

The prospectus supplement relating to any offering of warrants will describe the particular terms of the warrants being offered, including the following:

- the title of such warrants;
- the aggregate number of such warrants;
- the price or prices at which such warrants will be issued;
- the currency or currencies, including composite currencies, in which the price of such warrants may be payable;
- the designation and terms of the securities purchasable upon exercise of such warrants and the number of such securities issuable upon exercise of such warrants;

- if applicable, the minimum or maximum amount of such warrants which may be exercised at any one time;
- if applicable, the designation and terms of the securities with which such warrants are issued and the number of such warrants issued with each such security;
- if applicable, the date on and after which such warrants and the related securities will be separately transferable;
- information with respect to book-entry procedures, if any; and
- any other terms of such warrants, including terms, procedures and limitations relating to the exchange and exercise of such warrants.

### **Amendments and supplements to warrant agreement**

We and the warrant agent may amend or supplement the warrant agreement for a series of warrants without the consent of the holders of the warrants issued thereunder to effect changes that are not inconsistent with the provisions of the warrants and that do not materially and adversely affect the interests of the holders of the warrants.

### **Taxation**

Any material U.S. federal income tax consequences relating to the purchase, ownership and disposition of any of the securities offered by this prospectus will be set forth in the prospectus supplement offering those securities.

### **Plan of distribution**

We may offer and sell the offered securities in any one or more of the following ways from time to time on a delayed or continuous basis:

- to or through underwriters;
- to or through brokers or dealers;
- through agents;
- directly to one or more purchasers, including our affiliates; or
- through a combination of any of these methods of sale.

The prospectus supplement with respect to any offering of our securities will set forth the terms of the offering, including:

- the name or names of any underwriters, dealers or agents;
- the purchase price of the securities and the proceeds to us from the sale;
- any underwriting discounts and commissions or agency fees and other items constituting underwriters' or agents' compensation; and
- any delayed delivery arrangements.

The distribution of the securities may be effected from time to time in one or more transactions at a fixed price or prices, which may be changed, at market prices prevailing at the time of sale, at prices related to the

## Table of Contents

prevailing market prices or at negotiated prices. We may engage in at-the-market offerings into an existing trading market in accordance with Rule 415(a)(4) of the Securities Act of 1933, as amended (the “Securities Act”).

If securities are sold by means of an underwritten offering, we will execute an underwriting agreement with an underwriter or underwriters, and the names of the specific managing underwriter or underwriters, as well as any other underwriters, and the terms of the transaction, including commissions, discounts and any other compensation of the underwriters and dealers, if any, will be set forth in the prospectus supplement which will be used by the underwriters to sell the securities. If underwriters are utilized in the sale of the securities, the securities will be acquired by the underwriters for their own account and may be resold from time to time in one or more transactions, including negotiated transactions, at fixed public offering prices or at varying prices determined by the underwriters at the time of sale.

Our securities may be offered to the public either through underwriting syndicates represented by managing underwriters or directly by the managing underwriters. If any underwriter or underwriters are utilized in the sale of the securities, unless otherwise indicated in the prospectus supplement, the underwriting agreement will provide that the obligations of the underwriters are subject to the underwriting agreement and certain conditions precedent and that the underwriters with respect to a sale of securities will be obligated to purchase all of those securities if they purchase any of those securities.

We may grant to the underwriters options to purchase additional securities to cover over-allotments, if any, at the public offering price with additional underwriting discounts or commissions. If we grant any over-allotment option, the terms of any over-allotment option will be set forth in the prospectus supplement relating to those securities.

If a dealer is utilized in the sales of securities in respect of which this prospectus is delivered, we will sell those securities to the dealer as principal. The dealer may then resell those securities to the public at varying prices to be determined by the dealer at the time of resale. Any reselling dealer may be deemed to be an underwriter, as the term is defined in the Securities Act, of the securities so offered and sold. The name of the dealer and the terms of the transaction will be set forth in the related prospectus supplement.

Offers to purchase securities may be solicited by agents designated by us from time to time. Any agent involved in the offer or sale of the securities in respect of which this prospectus is delivered will be named, and any commissions payable by us to the agent will be set forth, in the applicable prospectus supplement. Unless otherwise indicated in the prospectus supplement, any agent will be acting on a reasonable best efforts basis for the period of its appointment. Any agent may be deemed to be an underwriter, as that term is defined in the Securities Act, of the securities so offered and sold.

Offers to purchase securities may be solicited directly by us and the sale of those securities may be made by us directly to institutional investors or others, who may be deemed to be underwriters within the meaning of the Securities Act, with respect to any resale of those securities. The terms of any sales of this type will be described in the related prospectus supplement.

Underwriters, dealers, agents and remarketing firms may be entitled under relevant agreements entered into with us to indemnification by us against certain civil liabilities, including liabilities under the Securities Act, that may arise from any untrue statement or alleged untrue statement of a material fact or any omission or alleged omission to state a material fact in this prospectus, any supplement or amendment hereto, or in the registration statement of which this prospectus forms a part, or to contribution with respect to payments which the agents, underwriters or dealers may be required to make.

If so indicated in the prospectus supplement, we will authorize underwriters or other persons acting as our agents to solicit offers by institutions to purchase securities from us pursuant to contracts providing for payments

## [Table of Contents](#)

and delivery on a future date. Institutions with which contracts of this type may be made include commercial and savings banks, insurance companies, pension funds, investment companies, educational and charitable institutions and others, but in all cases those institutions must be approved by us. The obligations of any purchaser under any contract of this type will be subject to the condition that the purchase of the securities shall not at the time of delivery be prohibited under the laws of the jurisdiction to which the purchaser is subject. The underwriters and other persons acting as our agents will not have any responsibility in respect of the validity or performance of those contracts.

One or more firms, referred to as “remarketing firms,” may also offer or sell the securities, if the prospectus supplement so indicates, in connection with a remarketing arrangement upon their purchase. Remarketing firms will act as principals for their own accounts or as our agents. These remarketing firms will offer or sell the securities in accordance with a redemption or repayment pursuant to the terms of the securities. The prospectus supplement will identify any remarketing firm and the terms of its agreement, if any, with us and will describe the remarketing firm’s compensation. Remarketing firms may be deemed to be underwriters in connection with the securities they remarket. Remarketing firms may be entitled under our agreements to indemnification by us against certain civil liabilities, including liabilities under the Securities Act, and may engage in transactions with or perform services for us in the ordinary course of business.

Disclosure in the prospectus supplement of our use of delayed delivery contracts will include the commission that underwriters and agents soliciting purchases of the securities under delayed contracts will be entitled to receive in addition to the date when we will demand payment and delivery of the securities under the delayed delivery contracts. These delayed delivery contracts will be subject only to the conditions that we describe in the prospectus supplement.

In connection with the offering of securities, persons participating in the offering, such as any underwriters, may purchase and sell securities in the open market. These transactions may include over-allotment and stabilizing transactions and purchases to cover syndicate short positions created in connection with the offering. Stabilizing transactions consist of bids or purchases for the purpose of preventing or retarding a decline in the market price of the securities, and syndicate short positions involve the sale by underwriters of a greater number of securities than they are required to purchase from any issuer in the offering. Underwriters also may impose a penalty bid, whereby selling concessions allowed to syndicate members or other broker-dealers in respect of the securities sold in the offering for their account may be reclaimed by the syndicate if the securities are repurchased by the syndicate in stabilizing or covering transactions. These activities may stabilize, maintain or otherwise affect the market price of the securities, which may be higher than the price that might prevail in the open market, and these activities, if commenced, may be discontinued at any time.

Any underwriters or agents to or through which securities are sold by us may make a market in the securities, but these underwriters or agents will not be obligated to do so and any of them may discontinue any market-making at any time without notice. No assurance can be given as to the liquidity of or trading market for any securities sold by us.

Any lock-up arrangements of us or our officers or directors will be set forth in a prospectus supplement.

Underwriters, dealers and agents may engage in transactions with, or perform services for, us and our affiliates in the ordinary course of business. Underwriters have from time to time in the past provided, and may from time to time in the future provide, investment banking services to us for which they have in the past received, and may in the future receive, customary fees.

This prospectus and any accompanying prospectus supplement or supplements may be made available in electronic format on the Internet sites of, or through online services maintained by, the underwriter, dealer, agent and/or selling group members participating in connection with any offering, or by their affiliates. In those cases, prospective investors may view offering terms online and, depending upon the particular underwriter, dealer,

## [Table of Contents](#)

agent or selling group member, prospective investors may be allowed to place orders online. The underwriter, dealer or agent may agree with us to allocate a specific number of shares for sale to online brokerage account holders. Any such allocation for online distributions will be made by the underwriter, dealer or agent on the same basis as other allocations.

Other than the prospectus and accompanying prospectus supplement or supplements in electronic format, the information on the underwriter's, dealer's, agent's or any selling group member's web site and any information contained in any other web site maintained by the underwriter, dealer, agent or any selling group member is not part of this prospectus, the prospectus supplement or supplements or the registration statement of which this prospectus forms a part, has not been approved and/or endorsed by us or the underwriters, dealers, agents or any selling group member in its capacity as underwriter, dealer, agent or selling group member and should not be relied upon by investors.

### **Legal matters**

In connection with particular offerings of the securities in the future, unless stated otherwise in the applicable prospectus supplements, the validity of those securities will be passed upon for us by Cravath, Swaine & Moore LLP, New York, New York and/or Robinson, Bradshaw & Hinson, P.A., Charlotte, North Carolina, and for any underwriters or agents by counsel named in the applicable prospectus supplement.

\* Because this registration statement covers an indeterminate amount of securities, the SEC registration fee is not currently determinable. Such fee is deferred in accordance with Rules 456(b) and 457(r) of the Securities Act.

\*\* Because an indeterminate amount of securities are covered by this Registration Statement and the number of offerings is indeterminable, the expenses in connection with the issuance and distribution of the securities are not currently determinable. An estimate of the aggregate expenses in connection with the issuance and distribution of the securities being offered will be included in the applicable prospectus supplement.

**Item 15. Indemnification of directors and officers**

Our restated articles of incorporation eliminate, to the fullest extent permitted by the North Carolina Business Corporation Act, or the “Business Corporation Act,” the personal liability of each of our directors to the Company and its shareholders for monetary damages for breach of duty as a director. This provision in the restated articles of incorporation does not change a director’s duty of care, but it eliminates monetary liability for certain violations of that duty, including violations based on grossly negligent business decisions that may include decisions relating to attempts to change control of the Company. The provision does not affect the availability of equitable remedies for a breach of the duty of care, such as an action to enjoin or rescind a transaction involving a breach of fiduciary duty; in certain circumstances, however, equitable remedies may not be available as a practical matter. Under the Business Corporation Act, the limitation of liability provision is ineffective against liabilities for (i) acts or omissions that the director knew or believed at the time of the breach to be clearly in conflict with the best interests of the Company, (ii) unlawful distributions described in Business Corporation Act Section 55-8-33, (iii) any transaction from which the director derived an improper personal benefit or (iv) acts or omissions occurring prior to the date the provision became effective. The provision also in no way affects a director’s liability under the federal securities laws. Also, to the fullest extent permitted by the Business Corporation Act, our restated bylaws provide, in addition to the indemnification of directors and officers otherwise provided by the Business Corporation Act, for indemnification of our current or former directors, officers and employees against any and all liability and litigation expense, including reasonable attorneys’ fees, arising out of their status or activities as directors, officers and employees, except for liability or litigation expense incurred on account of activities that were at the time known or believed by such director, officer or employee to be clearly in conflict with the best interests of the Company.

We also maintain a directors and officers insurance policy pursuant to which our directors and officers are insured against liability for actions in their capacity as directors and officers.

### **Item 17. Undertakings.**

- (a) The undersigned registrant hereby undertakes:
  - (1) to file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
    - (i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the "Securities Act")  
;

- (ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement (notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission (the “SEC”) pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the “Calculation of Registration Fee” table in the effective registration statement); and
  - (iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;  
*provided, however,* that paragraphs (i), (ii) and (iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”) that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement;
- (2) that, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof;
- (3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering;
- (4) that, for the purpose of determining liability under the Securities Act to any purchaser:
  - (i) each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
  - (ii) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus (as provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof); *provided, however,* that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; and

- (5) that, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
- (i) any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
  - (ii) any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
  - (iii) the portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
  - (iv) any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.
- (b) The undersigned registrant hereby further undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (c) For an offering in which the securities to be registered are to be offered to existing security holders pursuant to warrants or rights and any securities not taken by security holders are to be reoffered to the public, the undersigned registrant hereby undertakes to supplement the prospectus, after the expiration of the subscription period, to set forth the results of the subscription offer, the transactions by the underwriters during the subscription period, the amount of unsubscribed securities to be purchased by the underwriters, and the terms of any subsequent reoffering thereof. If any public offering by the underwriters is to be made on terms differing from those set forth on the cover page of the prospectus, a post-effective amendment will be filed to set forth the terms of such offering.
- (d) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
- (e) The undersigned registrant hereby undertakes, if applicable, to file an application for the purpose of determining the eligibility of any trustee to act under subsection (a) of Section 310 of the Trust Indenture Act in accordance with the rules and regulations prescribed by the SEC under Section 305(b)(2) of the Trust Indenture Act.

## **ARTICLE 2**

### **THE SECURITIES**

Section 2.1. *Form and Dating.* The Securities shall be issued substantially in the form or forms (including global form) of Exhibit A hereto or in such other form or forms as shall be established by or pursuant to a Board Resolution or Resolutions or any indenture supplemental hereto, in each case with such appropriate insertions, omissions, substitutions or other variations as are required or permitted by this Indenture. The Securities may have notations, legends or endorsements required by law, stock exchange rule or usage. Each Security shall be dated the date of its authentication. Unless otherwise specified in a Board Resolution or Resolutions or supplemental indenture establishing the terms of the Securities, the Securities shall initially be issued only in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

Notwithstanding the foregoing, if any Security of a Series is issuable in the form of a Global Security or securities, each such Global Security may provide that it shall represent the aggregate amount of Securities outstanding under the Series from time to time endorsed thereon and also may provide that the aggregate amount of Securities outstanding under the Series represented thereby may from time to time be reduced or increased. Any endorsement of a Global Security to reflect the amount of Securities outstanding under the Series represented thereby shall be made by the Trustee in

accordance with the instructions of the Corporation and in such manner as shall be specified on such Global Security. Any instructions by the Corporation with respect to a Global Security, after its initial issuance, shall be in writing but need not comply with Section 11.4.

Before the first delivery of a Security of any Series to the Trustee for authentication, the Corporation shall deliver to the Trustee the following:

(1) the Board Resolution by or pursuant to which the forms and terms of the Security have been approved;

(2) an Officers' Certificate of the Corporation dated the date of delivery stating that all conditions precedent provided for in this Indenture relating to the authentication and delivery of Securities in that Series have been complied with and directing the Trustee to authenticate and deliver the Securities to or upon written order of the Corporation; and

(3) an Opinion of Counsel stating that all conditions precedent provided for in this Indenture relating to the authentication and delivery of Securities of that Series have been complied with, subject to such qualifications as such counsel shall conclude are customarily included in similar opinions by lawyers experienced in such matters.

Notwithstanding the foregoing, if the Corporation shall establish pursuant to Section 2.3 that the Securities of a Series are to be issued in whole or in part in the form of one or more Global Securities, then the Corporation shall execute and the Trustee shall, in accordance with this Section 2.1, Section 2.2 and the authentication order of the Corporation with respect to such Series, authenticate and deliver one or more Global Securities in temporary or permanent form that shall (a) represent and be denominated in an aggregate amount equal to the aggregate principal amount of the Securities of such Series to be represented by one or more Global Securities, (b) be registered in the name of the Depository for such Global Security or Global Securities or the nominee of such Depository, (c) be delivered by the Trustee to such Depository or pursuant to such Depository's instruction, and (d) bear a legend substantially to the following effect: "Unless and until it is exchanged in whole or in part for Securities in definitive form, this Security may not be transferred except as a whole by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any nominee to a successor Depository or a nominee of any successor Depository."

Section 2.2. *Execution and Authentication.* Two Officers shall sign the Securities for the Corporation by manual or facsimile signature. Securities shall be dated the date of their authentication.

If an Officer whose signature is on a Security no longer holds that office at the time the Trustee authenticates the Security, the Security shall be valid nevertheless.

A Security shall not be valid until the Trustee manually signs the certificate of authentication on the Security. The signature shall be conclusive evidence that the Security has been authenticated under this Indenture.

Notwithstanding the provisions of Section 2.3 and of the preceding paragraphs, if all Securities of a Series are not to be originally issued at one time (including, for example, a Series constituting a medium-term note program), it shall not be necessary to deliver the Officers' Certificate otherwise required pursuant to Section 2.1 or the Opinion of Counsel otherwise required pursuant to such preceding paragraphs at or prior to the time of authentication of each Security of such Series if such documents are delivered at or prior to the time of authentication upon original issuance of the first Security of such Series. In such case the Trustee may conclusively rely on the foregoing documents and opinions delivered pursuant to Section 2.1 and Section 2.3, and this Section 2.2, as applicable (unless revoked by superseding comparable documents or opinions), as to the matters set forth therein.

Notwithstanding the foregoing, if any Security shall have been duly authenticated and delivered hereunder but never issued and sold by the Corporation, and the Corporation shall deliver such Security to the Trustee for cancellation as provided in Section 2.12 together with a written statement (which need not comply with Section 2.1 and need not be accompanied by an Opinion of Counsel) stating that such Security has never been issued and sold by the Corporation, for all purposes of this Indenture such Security shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits of this Indenture.

If any Security of a Series shall be represented by a Global Security, then, for purposes of this Section 2.2 and Section 2.11, the notation of the record owners' interest therein upon original issuance of such Security shall be deemed to be delivery in connection with the original issuance of each beneficial owner's interest in such Global Security.

The Trustee's certificate of authentication on all Securities shall be in substantially the following form:

This is one of the Securities of the Series designated herein and referred to in the within-mentioned Indenture.

Date: [ \_\_\_\_\_ ], as Trustee

By: \_\_\_\_\_  
Authorized Officer

If at any time there shall be an authenticating agent appointed with respect to any Series of Securities, then the Trustee's certificate of authentication to be borne by the Securities of each such Series shall be substantially as follows:

This is one of the Securities referred to in the within-mentioned Indenture.

[ \_\_\_\_\_ ], as Trustee

By: \_\_\_\_\_  
as Authenticating Agent

By: \_\_\_\_\_  
Authorized Officer

The Trustee may appoint an authenticating agent acceptable to the Corporation to authenticate Securities. An authenticating agent may authenticate Securities whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with the Corporation.

Section 2.3. *Title, Amount and Terms of Securities.* The principal amount of Securities that may be authenticated and delivered and outstanding under this Indenture is not limited. The Securities may be issued in a total principal amount up to that authorized from time to time by or pursuant to relevant Board Resolutions or established in one or more indentures supplemental hereto.

The Securities may be issued in one or more Series, each of which shall be issued pursuant to a Board Resolution or Resolutions of the Corporation, or established in one or more indentures supplemental hereto, which shall specify:

(1) the title of the Securities of that Series (which shall distinguish the Securities of that Series from Securities of all other Series);

(2) any limit on the aggregate principal amount of the Securities of that Series that may be authenticated and delivered under this Indenture (except for Securities authenticated and delivered upon registration or transfer of, in exchange for or in lieu of other Securities of that Series pursuant to Section 2.7, 2.8 or 3.7);

(3) the date or dates (or manner of determining the same) on which the principal of the Securities of that Series is payable;

(4) the rate or rates, or the method to be used in ascertaining the rate or rates (which may be fixed or variable), at which the Securities of that Series shall bear interest (if any), the basis upon which interest shall be calculated if other than that of a 360-day year of 12 30-day months, the date or dates from which such interest shall accrue, the Interest Payment Dates on which such interest shall be payable and the record date for the interest payable on any Interest Payment Date;

(5) if the trustee, paying agent or registrar of that Series is other than the Trustee initially named in this Indenture or any successor thereto, the trustee, paying agent or registrar of that Series;

(8) the obligation, if any, of the Corporation to redeem or purchase Securities of that Series pursuant to any sinking fund or analogous provisions or at the option of Holders of Securities of that Series, and the period or periods within which, the price or prices at which and the terms and conditions upon which Securities of that Series shall be redeemed or purchased, in whole or in part, pursuant to such obligation;

(9) if denominated in U.S. dollars, and in denominations other than minimum denominations of \$2,000 and any multiple of \$1,000 in excess thereof, the denominations in which Securities of that Series shall be issuable;

(10) if denominated in a Foreign Currency, the currency or currencies, including composite currencies, in which the Securities of that Series are denominated, and the denominations in which Securities of that Series shall be issuable;

(11) if other than the currency in which the Securities of that Series are denominated, the currency or currencies, including composite currencies, in which payment of the principal of and interest, if any, on Securities of that Series shall be payable;

(12) if the amount of payments of the principal of and interest, if any, on the Securities of that Series may be determined with reference to an index based on a currency or currencies other than that in which the Securities of that Series are denominated or if payment of interest is variable, the manner in which such amounts shall be determined and the Calculation Agent, if any, who shall be appointed and authorized to calculate such amounts;

(13) if other than the full principal amount, the portion, or the manner of calculation of such portion, of the principal amount of Securities of that Series which shall be payable upon a declaration of acceleration of the maturity pursuant to Section 6.2;

(14) if convertible into Securities of another Series, or shares of capital stock of the Corporation, the terms upon which the Securities of that Series will be convertible into Securities of such other Series or shares of capital stock of the Corporation;

(15) the right, if any, of the Corporation to redeem all or any part of the Securities of that Series before maturity and the period or periods within which, the price or prices at which and the terms and conditions upon which Securities of that Series may be redeemed;

(16) if other than or in addition to the subordination provisions in Article 10, the terms of subordination with respect to the Securities of that Series;

(17) the provisions, if any, restricting defeasance or discharge of the Securities of that Series;

(18) if other than or in addition to the events specified in Section 6.1, events of default with respect to the Securities of that Series;

(19) if the Securities of that Series are to be issued in whole or in part in the form of one or more Global Securities, the Depositary for such Global Security or Global Securities if other than DTC and whether beneficial owners of interests in any such Global Securities may exchange such interests for other Securities of such Series in the manner provided in Section 2.7, and the manner and the circumstances under which and the place or places where any such exchanges may occur if other than in the manner provided in Section 2.7, and any other terms of the Series relating to the global nature of the Securities of such Series and the exchange, registration or transfer thereof and the payment of any principal thereof or interest, if any, thereon;

(20) any covenants or other restrictions on the Corporation's operations;

(21) conditions to any merger or consolidation;

(22) any other terms of or relating to the Securities of that Series; and

(23) the form of any notice to be delivered to the Trustee with respect to any such Security.

All Securities of any particular Series shall be identical as to currency of denomination and otherwise shall be substantially identical except as to denomination and except as may otherwise be provided in or pursuant to the relevant Board Resolution or Resolutions or indentures supplemental hereto. All Securities of any particular Series need not be issued at the same time and, unless otherwise provided, a Series may be reopened, without the consent of the Holders, for issuances of additional Securities of that Series, unless otherwise specified in the relevant Board Resolution or Resolutions or one or more indentures supplemental hereto.

The Trustee need not authenticate the Securities in any Series if their terms impose on the Trustee duties in addition to those imposed on the Trustee by this Indenture. If the Trustee does authenticate any such Securities, the authentication will evidence the Trustee's agreement to comply with any such additional duties.

Each Depositary for a Global Security in registered form shall, if required, at the time of its designation and at all times while it serves as a Depositary, be a clearing agency registered under the Exchange Act and any other applicable statute or regulation.

Section 2.4. *Registrar, Paying Agent and Calculation Agent.* The Corporation shall maintain an office or agency where Securities may be presented for registration of transfer or for exchange ("Registrar") and an office or agency where Securities may be presented for payment ("Paying Agent"). The Registrar shall keep a register of the Securities and of their transfer and exchange. The Corporation may have one or more co-registrars and one or more additional paying agents. The term "Registrar" includes any co-registrar and the term "Paying Agent" includes any additional paying agent. The Corporation may change any Paying Agent, Registrar or Calculation Agent without notice to any Holder. There may be separate Registrars, Paying Agents and Calculation Agents for different Series of Securities. The Corporation shall enter into an appropriate agency agreement with any Registrar, Paying Agent, Calculation Agent or co-registrar not a party to this Indenture. The agreements shall implement the provisions of this Indenture that relate to such Agent. The Corporation shall notify the Trustee of the name and address of any such Agent. If the Corporation fails to maintain a Registrar, Paying Agent or Calculation Agent, the Trustee shall act as such.

Any Agent under this Indenture shall comply with the provisions of TIA § 317(b).

The Corporation initially appoints the Trustee as Registrar, Paying Agent and Calculation Agent.

The Corporation initially appoints DTC to act as the Depositary with respect to the Global Securities.

Section 2.5. *Paying Agent to Hold Money in Trust.* Each Paying Agent for any Series of Securities shall hold in trust for the benefit of Holders of Securities of the same Series or the Trustee all money held by the Paying Agent for the payment of principal of or interest on such Securities and shall notify the Trustee of any default by the Corporation in making such payment. When such default continues, the Trustee may require the Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent shall have no further liability for the money delivered to the Trustee. If the Corporation or a Subsidiary acts as Paying Agent with respect to a Series of Securities, it shall segregate the money for that Series and hold it as a separate trust fund. The Corporation at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon doing so the Paying Agent shall have no further liability for the money delivered to the Trustee.

Section 2.6. *Securityholder Lists.* For each Series of Securities, the Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders of Securities of that Series and shall otherwise comply with TIA § 312(a). If the Trustee is not the Registrar, the Corporation shall furnish or cause to be furnished to the Trustee on or before each Interest Payment Date for each Series of Securities and at such other times as the Trustee may request in writing a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders of Securities of that Series.

Section 2.7. *Transfer and Exchange.* Where a Security (other than a Global Security except as set forth herein) is presented to the Registrar or a co-registrar with a request to register a transfer, the Registrar shall register the transfer as requested if the requirements of Section 8-401(1) of the New York Uniform Commercial Code are met. Where Securities (other than a Global Security except as set forth herein) of any Series are presented to the Registrar or a co-registrar with a request to exchange them for an equal principal amount of Securities of other denominations of the same Series with identical terms as the Securities exchanged, the Registrar shall make the exchange as requested if the same requirements are met. To permit transfers and exchanges, the Corporation shall execute and the Trustee shall authenticate Securities at the Registrar's request. No service charge shall be made for any registration of transfer or exchange of Securities, but the Corporation may require payment of a sum sufficient to cover any stamp or transfer tax or similar governmental charge payable in connection therewith (other than any such stamp or transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Section 2.11 or 3.7 hereto). The Corporation shall not be required to make transfers or exchanges of Securities of any Series for a period of 15 days before a selection of Securities of the same Series to be redeemed or before an interest payment.

Members of, or participants in, the Depository ("Agent Members") shall have no rights under this Indenture with respect to any Global Security held on their behalf by the Depository, or the Trustee as its custodian, or under the Global Security, and the Depository may be treated by the Corporation, the Trustee and any agent of the Corporation or the Trustee as the Holder and absolute owner of such Global Security for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Corporation, the Trustee or any agent of the Corporation or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or impairing, as between the Depository and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Security.

If at any time the Depository notifies the Corporation that it is unwilling or unable to continue as Depository for some or all of the Global Securities or if at any time the Depository shall no longer be eligible to so continue under applicable law, the Corporation shall identify a successor Depository eligible under applicable law with respect to such Global Securities.

Transfers of any Global Security shall be limited to transfers in whole, but not in part, to the Depository, its successors or their respective nominees. Interests of beneficial

owners in the Global Security may be transferred or exchanged for definitive Securities in accordance with the rules and procedures of the Depository. In addition, definitive Securities shall be transferred to all beneficial owners in exchange for their beneficial interests in a Global Security if (i) the Depository notifies the Corporation that it is unwilling or unable to continue as Depository for the Global Security or, if at any time, the Depository ceases to be a clearing agency registered under the Exchange Act, and a successor depository is not appointed by the Corporation within 90 days of such notice, (ii) an Event of Default has occurred and is continuing and the Registrar has received a request from the Depository to issue definitive Securities or (iii) the Corporation, in its discretion, at any time determines not to have such Securities represented by one or more Global Securities and the Corporation so notifies the Depository; provided that in the event definitive Securities of a Series shall be transferred to all beneficial owners as provided above, the Corporation will execute, and the Trustee, upon receipt of an order of the Corporation for the authentication and delivery of definitive Securities of such Series, will authenticate and deliver to each party specified by such Depository a new Security or Securities of such Series in definitive form, of any authorized denomination as requested by such party in an aggregate principal amount equal to the principal amount of the Global Security or Securities representing such Series in exchange for such parties beneficial interest in the Global Security or Securities.

In connection with any transfer or exchange of a portion of the beneficial interest in any Global Security to beneficial owners pursuant to the preceding paragraph, the Registrar shall (if one or more definitive Securities are to be issued) reflect on its books and records the date and a decrease in the principal amount of the Global Security in an amount equal to the principal amount of the beneficial interest in the Global Security to be transferred, and the Corporation shall execute, and the Trustee shall authenticate and deliver, one or more definitive Securities of like tenor and amount.

In connection with the transfer of an entire Global Security to beneficial owners pursuant to the two paragraphs above, the Global Security shall be deemed to be surrendered to the Trustee for cancellation, and the Corporation shall execute, and the Trustee upon receipt of an order of the Corporation for the authentication and delivery of definitive Securities of such Series shall authenticate and deliver, to each beneficial owner identified by the Depository in exchange for its beneficial interest in the Global Security, an equal aggregate principal amount of definitive Securities of authorized denominations.

To permit registrations of transfers and exchanges, the Corporation shall execute and the Trustee shall authenticate Global Securities and certificated Securities at the Registrar's request.

No service charge shall be made to a Holder for any registration of transfer or exchange, but the Corporation may require payment of a sum sufficient to cover any stamp or transfer tax or similar governmental charge payable in connection therewith (other than any such stamp or transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.11 and 3.7 hereto).

All Global Securities and definitive Securities issued upon any registration of transfer or exchange of Global Securities and definitive Securities shall be the valid obligations of the Corporation, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Securities and definitive Securities surrendered upon such registration of transfer or exchange.

The Registrar shall not be required (A) to issue, to register the transfer of or to exchange Securities of either Series during a period beginning at the opening of fifteen (15) days before the day of any selection of Securities of such Series for redemption under Section 3.3 hereof and ending at the close of business on the day of selection, (B) to register the transfer of or to exchange any Security so selected for redemption in whole or in part, except the unredeemed portion of any Security being redeemed in part, or (C) to register the transfer of or to exchange a Security between a record date and the next succeeding Interest Payment Date.

Prior to due presentment for the registration of a transfer of any Security, the Trustee, any Agent and the Corporation may deem and treat the Person in whose name any Security is registered as the absolute owner of such Security for the purpose of receiving payment of principal of, premium, if any, and interest on such Securities and for all other purposes, and neither the Trustee, any Agent nor the Corporation shall be affected by notice to the contrary.

The Trustee shall authenticate Global Securities and definitive Securities in accordance with the provisions of Section 2.2 hereof. Except as provided in the second through fourth paragraphs of this Section 2.7, neither the Trustee nor the Registrar shall authenticate or deliver any definitive Security in exchange for a Global Security.

The Holder of any Global Security may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Securities of such Series.

Each Global Security shall also bear the following legend on the face thereof:

“Unless and until it is exchanged in whole or in part for securities in definitive form, this security may not be transferred except as a whole by the depository to a nominee of the depository, or by any such nominee of the depository, or by the depository or nominee of such successor depository or any such nominee to a successor depository or a nominee of such successor depository. Unless this certificate is presented by an authorized representative of The Depository Trust Company, a New York corporation (“DTC”), to an issuer or its agent for registration of transfer, exchange or payment, and any certificate issued is registered in the name of Cede & Co. or such other name as is requested by an authorized representative of DTC (and any payment hereon is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), any transfer, pledge or other use hereof for value or otherwise by or to any person is wrongful inasmuch as the registered owner hereof, Cede & Co., has an interest herein.

Transfers of this global security shall be limited to transfers in whole, but not in part, to nominees of Cede & Co. or to a successor thereof or such successor's nominee."

Neither the Trustee nor the Registrar shall have any obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Security (including any transfers between or among Agent Members or beneficial owners of interests in any Global Security) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof; provided, that the Trustee shall have no duty to require delivery or examine any certificate for any transfer of interest in the same Global Security.

None of the Corporation, the Trustee, the Paying Agent, the Calculation Agent, the Registrar or any co-registrar shall have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of a Global Security or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Upon the exchange of the Global Security for Securities in definitive form, such Global Security shall be canceled by the Trustee. Securities issued in exchange for a Global Security pursuant to this Section 2.7 shall be registered in such names and in such authorized denominations as the Depository for such Global Security, pursuant to instructions from its direct or indirect participants or otherwise, shall instruct the Trustee. The Trustee shall deliver such Securities to the parties in whose names such Securities are so registered.

Section 2.8. *Replacement Securities.* If the Holder of a Security claims that the Security has been mutilated, destroyed, lost or stolen, the Corporation may issue and the Trustee shall authenticate a replacement Security of the same Series with identical terms as the Securities exchanged. Such holder shall furnish an indemnity bond sufficient in the judgment of the Corporation and the Trustee to protect the Corporation, the Trustee, the Paying Agent, the Registrar and any co-registrar from any loss which any of them may suffer if a Security is replaced. The Corporation and the Trustee may charge for their expenses in replacing a Security.

In case any such mutilated, destroyed, lost or stolen Security has become due and payable, the Corporation in its discretion may, instead of issuing a new Security, pay such Security (without surrender thereof except in the case of a mutilated Security) if the applicant for such payment shall furnish to the Corporation, the Trustee, the Paying Agent, the Calculation Agent, the Registrar and any co-registrar for such Security such security or indemnity as may be required by them to hold each of them harmless, and in case of destruction, loss or theft, evidence satisfactory to the Corporation, the Trustee, the Paying Agent, the Calculation Agent, the Registrar and any co-registrar, and any agent of any of them, of the destruction, loss or theft of such Security and the ownership thereof.

Upon the issuance of any new Security under this Section 2.8, the Corporation may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including all fees and expenses of the Trustee, the Paying Agent, the Calculation Agent the Registrar and any co-registrar for such Security) connected therewith.

Every new Security of any Series issued pursuant to this Section 2.8 in lieu of any destroyed, lost or stolen Security or in exchange for any mutilated Security, shall constitute an original additional obligation of the Corporation, whether or not the destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of the same Series.

The provisions of this Section 2.8 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen.

Section 2.9. *Outstanding Securities.* Securities outstanding at any time are all Securities authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation and those described in this Section 2.9 as not outstanding. A Security does not cease to be outstanding because the Corporation or an Affiliate of the Corporation holds the Security.

If a Security is replaced pursuant to Section 2.8, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Security is held by a bona fide purchaser.

If the Paying Agent holds on a redemption date or maturity date money sufficient to pay Securities payable on that date, then on and after that date such Securities cease to be outstanding and interest on them ceases to accrue.

If a Security is redeemed (or as to which the full redemption price has been deposited with the Trustee on the applicable Redemption Date), the Corporation and the Trustee need not treat the Security as outstanding in determining whether Holders of the required principal amount of Securities have concurred in any direction, waiver or consent.

Section 2.10. *Treasury Notes.* In determining whether the Holders of the required aggregate principal amount of Securities of any Series have concurred in any direction, waiver or consent, Securities owned by the Corporation or by any Affiliate of the Corporation shall be considered as though not outstanding, except that, for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Securities shown on the register as being so owned shall be so disregarded. Notwithstanding the foregoing, Securities that are to be acquired by the Corporation or an Affiliate of the Corporation pursuant to an exchange offer, tender offer or other agreement shall not be deemed to be owned by such entity until legal title to such Securities passes to such entity.

Section 2.11. *Temporary Securities.* Until definitive Securities of any Series are ready for delivery or a permanent Global Security or Securities are prepared, as the case may be, the Corporation may prepare and the Trustee shall authenticate temporary Securities or one or more temporary Global Securities, as the case may be, of the same Series in accordance with the terms and conditions of this Indenture. Temporary Securities of any Series shall be substantially in the form of definitive Securities or permanent Global Securities, as the case may be, of the same Series, but may have variations that the Corporation considers appropriate for temporary Securities. Without unreasonable delay, the Corporation shall prepare and the Trustee shall authenticate definitive Securities or a permanent Global Security or Securities, as the case may be, of the same Series in exchange for temporary Securities. Until so exchanged, the temporary Securities of any Series shall be entitled to the same benefits under this Indenture as definitive Securities or permanent Global Securities of such Series.

Section 2.12. *Cancellation.* The Corporation at any time may deliver Securities to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Securities surrendered to them for transfer, exchange or payment. Upon the Corporation's request, the Trustee and no one else shall cancel all Securities surrendered for transfer, exchange, payment or cancellation, and shall so certify to the Corporation. The Corporation may not issue new Securities to replace Securities it has paid or delivered to the Trustee for cancellation.

Section 2.13. *Defaulted Interest.* If the Corporation defaults in a payment of interest on any Securities of any Series, it shall pay the defaulted interest to the persons who are Holders of those Securities on a subsequent special record date. The Corporation shall fix the special record date and payment date at least 15 days before the special record date, the Corporation shall mail to each Holder of Securities of that Series a notice that states the special record date, the payment date and the amount of defaulted interest to be paid. The Corporation may pay defaulted interest in any other lawful manner.

Section 2.14. *Payment in Currencies.* (a) Payment of the principal of and interest, if any, on the Securities shall be made in the currency or currencies specified below:

(1) for Securities of a Series denominated in U.S. dollars, payment shall be made in U.S. dollars; and

(2) for Securities of a Series denominated in a Foreign Currency, payment shall be made in that Foreign Currency unless the Holder of a Security of that Series elects to receive payment in U.S. dollars and such election is permitted by the Board Resolution or Resolutions or indentures supplemental hereto adopted pursuant to Section 2.3 in respect of that Series.

A Holder may make the election referred to in clause (2) above by delivering to the Trustee or Paying Agent, as applicable, for such series of Securities (the "foreign paying agent") a written notice of election substantially in the form contemplated by the

Board Resolution or Resolutions or indentures supplemental hereto adopted pursuant to Section 2.3 or in any other form acceptable to the foreign paying agent. For any payment, a notice of election will not be effective unless it is received by the foreign paying agent not later than the close of business on the applicable record date. An election shall remain in effect until the Holder delivers to the foreign paying agent a written notice specifying a change in the currency in which payment is to be made. No change in currency may be made for payments to be made on Securities of a Series for which notice of redemption has been given pursuant to Article 3 or as to which the Corporation has accomplished a satisfaction, discharge or defeasance pursuant to Section 8.1, 8.2 or 8.8.

(b) The foreign paying agent shall deliver to the Corporation, not later than the fourth Business Day after each record date for payment on Securities of a Series denominated in a Foreign Currency, a written notice specifying, in the currency in which the Securities of that Series are denominated, the aggregate amount of the principal of and interest, if any, on Securities of that Series to be paid on the payment date. If at least one Holder has made the election referred to in clause (2) of paragraph (a) of this Section 2.14, the written notice shall also specify, in each currency elected, the amount of principal of and interest, if any, to be paid in that currency on the payment date.

(c) The amount payable to Holders of Securities of a Series denominated in a Foreign Currency who have elected to receive payment in U.S. dollars shall be determined by the foreign paying agent on the basis of the Market Exchange Rate in effect on the record date.

(d) If the Foreign Currency in which a Series of Securities is denominated ceases to be used both by the government of the country that issued such currency and for the settlement of transactions by public institutions of or within the international banking community, then for each payment date on Securities of that Series occurring after the last date on which the Foreign Currency was so used, all payments on Securities of that Series shall be made in U.S. dollars. If payment is to be made in U.S. dollars to the Holders of Securities of any such Series pursuant to the preceding sentence, then the amount to be paid in U.S. dollars on a payment date by the Corporation to the foreign paying agent and by the foreign paying agent or any Paying Agent to Securityholders shall be determined by the foreign paying agent as of the applicable record date and shall be equal to the sum obtained by converting the specified Foreign Currency into U.S. dollars at the Market Exchange Rate on the last record date on which such Foreign Currency was so used in either such capacity.

(e) All decisions and determinations of the foreign paying agent regarding the amount payable in accordance with paragraph (c) of this Section 2.14, conversion of Foreign Currency into U.S. dollars pursuant to paragraph (d) of this Section 2.14 or the Market Exchange Rate shall, in the absence of manifest error, be conclusive for all purposes and irrevocably binding upon the Corporation and all Securityholders. If a Foreign Currency in which payment on Securities of a Series may be made pursuant to paragraph (a) of this Section 2.14 ceases to be used both by the government of the country that issued such currency and for the settlement of

transactions by public institutions of or within the international banking community, the Corporation shall give notice to the foreign paying agent and mail notice by first-class mail to each Holder of Securities of that Series specifying the last date on which the Foreign Currency was used for the payment of principal of or interest, if any, on Securities of that Series.

Section 2.15. *CUSIP Numbers.* The Corporation in issuing the Securities may use a “CUSIP” and/or ISIN or other similar number, and if it does so, the Corporation may use the CUSIP and/or ISIN or other similar number in notices of redemption or exchange as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness or accuracy of the CUSIP and/or ISIN or other similar number printed in the notice or on the Securities and that reliance may be placed only on the other identification numbers printed on the Securities. The Corporation shall promptly notify the Trustee of any change in the CUSIP and/or ISIN or other similar number.

### ARTICLE 3

#### REDEMPTION

Section 3.1. *Applicability of this Article.* Securities of any Series that are redeemable prior to their maturity shall be redeemable in accordance with their terms (except as otherwise specified in this Indenture for Securities of any Series) and in accordance with this Article 3.

Section 3.2. *Notices to Trustee.* If the Corporation chooses to redeem any Securities, it shall notify the Trustee of the redemption date and the principal amount of Securities to be redeemed in accordance with the terms of the Securities. If redemption is of less than all the outstanding Securities of a Series, the Corporation shall furnish to the Trustee, at least 30 days before the optional redemption date (or such shorter period as is acceptable to the Trustee) an Officers’ Certificate stating (i) the aggregate principal amount of Securities to be redeemed and (ii) the redemption date.

Section 3.3. *Selection of Securities to be Redeemed.* If, at the option of the Corporation, less than all the Securities of a Series are to be redeemed, the Trustee shall select the Securities of such Series to be redeemed on a pro rata basis, by lot or by such method as the Trustee shall deem fair and appropriate or in accordance with the applicable procedures of the Depositary. The Trustee shall make the selection from outstanding Securities of such Series not previously called for redemption and shall promptly notify the Corporation in writing of the Securities of such Series selected for redemption and, in the case of any Securities selected for partial redemption, the principal amount thereof to be redeemed. The Trustee may select for redemption portions of the principal of Securities that have a denomination larger than \$2,000 (or the applicable minimum denomination for such Securities in the event the Securities are payable in a Foreign Currency or Currencies), Securities and portions of them it selects shall be in minimum amounts of \$2,000 (or the applicable minimum denomination for such Securities in the event the Securities are payable in a Foreign Currency or Currencies) or

a multiple of \$1,000 (or the applicable minimum denomination for such Securities in the event the Securities are payable in a Foreign Currency or Currencies). Provisions of this Indenture that apply to Securities called for redemption also apply to portions of Securities called for redemption.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Securities shall relate, in the case of any Security redeemed or to be redeemed only in part, to the portion of the principal amount of such Securities which has been or is to be redeemed.

Section 3.4. *Notice of Redemption.* At least 15 days but not more than 30 days before a date of redemption of Securities at the option of the Corporation, the Corporation shall send or cause to be sent by electronic transmission or by first class mail (with a copy to the Trustee), a notice of redemption to each Holder of Securities to be redeemed. Notice of any redemption may, at the Corporation's discretion, be subject to one or more conditions precedent. In the event that any relevant condition precedent is not satisfied (or waived by the Corporation) as of the date specified for redemption in any such notice of redemption (or amendment thereto), the Corporation may, in its discretion, rescind such notice or amend it on one or more occasions to specify another redemption date until the satisfaction (or waiver by the Corporation) of any such conditions precedent, unless such notice is earlier rescinded by the Corporation as described above.

The notice shall identify the Securities to be redeemed and shall state:

(1) the optional redemption date;

(2) the redemption price, including the portion thereof representing any accrued and unpaid interest (or the formula for the determination thereof if the redemption price cannot be determined until a later date);

(3) if any Security is being redeemed in part, the portion of the principal amount of such Securities to be redeemed and that, after the redemption date, upon surrender of such Security, a new Security in principal amount equal to the unredeemed portion shall be issued upon cancellation of the original Security.

(4) the name and address of the Paying Agent;

(5) that Securities called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(6) that, unless the Corporation defaults in making such redemption payment, interest on Securities called for redemption ceases to accrue on and after the redemption date;

(7) the paragraph of the Securities and/or Section of this Indenture (or any supplement to this Indenture) pursuant to which the Securities called for redemption are being redeemed;

(8) if applicable, any condition to such redemption; and

(9) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Securities called for redemption.

At the Corporation's request, the Trustee shall give the notice of redemption in the Corporation's name and at its expense; provided, however that the Corporation notified the Trustee of its intent to have the Trustee give such notice of redemption at least two Business Days prior to date such notice of redemption is given. In such event the Corporation will provide the Trustee with the information required by clauses (1) through (9). The notice sent in the manner herein provided shall be conclusively presumed to have been duly given whether or not a Holder receives such notice. In any case, failure to give such notice by electronic transmission or by mail or any defect in the notice to the Holder of any Security shall not affect the validity of the notice to any other Holder.

Section 3.5. *Effect of Notice of Redemption.* Once notice of redemption has been sent in accordance with Section 3.4 and any conditions precedent stated therein have been satisfied (or waived by the Corporation), the Securities called for redemption become due and payable on the redemption date and at the redemption price stated in the notice. Upon surrender to the Paying Agent, such Securities shall be paid at the redemption price stated in the notice, plus accrued and unpaid interest to the redemption date; provided, however, that any regular payment of interest becoming due on the redemption date shall be payable to the Holder of any such Security being redeemed as provided in the Security.

Section 3.6. *Deposit of Redemption Price.* On or before 10:00 a.m. (New York City time) on each redemption date, the Corporation shall deposit with the Trustee or with the Paying Agent (other than the Corporation or an Affiliate of the Corporation) money sufficient to pay the applicable redemption price of all Securities to be redeemed on that date. The Trustee or the Paying Agent shall promptly return to the Corporation any money deposited with the Trustee or the Paying Agent by the Corporation in excess of the amounts necessary to pay the redemption price of all Securities to be redeemed.

If Securities called for redemption are paid or if the Corporation has deposited with the Trustee or Paying Agent money sufficient to pay the redemption price of all Securities to be redeemed, on and after the redemption date, interest shall cease to accrue on the Securities or the portions of Securities called for redemption (regardless of whether certificates for such Securities are actually surrendered). If any Security called for redemption shall not be so paid upon surrender for redemption because of the failure of the Corporation to comply with the preceding paragraph, interest shall be paid on the unpaid principal from the redemption date until such principal is paid, and, to the extent lawful, on any interest not paid on such unpaid principal, in each case, at the rate provided in such Security.

Section 3.7. *Securities Redeemed in Part.* Upon surrender of a Security that is redeemed in part, the Corporation shall issue and, upon the written request of an Officer of the Corporation, the Trustee shall authenticate for the Holder a new Security equal in principal amount to the unredeemed portion of the Security surrendered.

#### **ARTICLE 4**

#### **COVENANTS**

Section 4.1. *Payment of Securities.* The Corporation shall promptly pay or cause to be paid the principal of, premium, if any, and interest on the Securities on the dates and in the manner provided in the Securities. Unless otherwise specified in this Indenture or the Securities, the Corporation shall deposit with the Paying Agent (other than the Corporation or an Affiliate of the Corporation) money sufficient to pay such amounts on or before 10:00 A.M. (New York City time) on the date such amounts are due and payable.

Section 4.2. *Compliance Certificate.* The Corporation shall deliver to the Trustee within 120 days after the end of each fiscal year of the Corporation an Officers' Certificate stating whether or not the signers know of any Default by the Corporation in performing its covenants in this Indenture. If they do know of such a Default, the certificate shall describe the Default. The certificate need not comply with Section 11.5.

The Corporation shall, so long as any of the Securities are outstanding, deliver to the Trustee, within 30 days after the occurrence thereof, written notice in the form of an Officers' Certificate of any event which is an Event of Default and what action the Corporation is taking or proposes to take in respect thereof.

Section 4.3. *SEC Reports.* The Corporation shall file with the Trustee within 15 days after it files them with the SEC copies of the annual reports and of the information, documents and other reports (or copies of such portions of any of the foregoing as the SEC may by rules and regulations prescribe) which the Corporation files with the SEC pursuant to Section 13 or Section 15(d) of the Exchange Act. Delivery of such reports, information and documents to the Trustee pursuant to this Section 4.3 is for informational purposes only, and the Trustee's receipt thereof shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Corporation's compliance with any of its covenants under this Indenture (as to which the Trustee is entitled to certificates). Notwithstanding the foregoing, the Corporation will be deemed to have furnished such reports to the Trustee and the Holders if the Corporation has filed such reports with the SEC via the EDGAR filing system (or any successor thereto) and such reports are publicly available.

## ARTICLE 5

### SUCCESSOR CORPORATION

Section 5.1. *Consolidation, Merger, and Sale of Assets.* The Corporation shall not consolidate with or merge into, or transfer all or substantially all of the assets of the Corporation and its subsidiaries, taken as a whole, to, another entity unless:

(1) the resulting, surviving or transferee entity is organized under the laws of the United States, any state thereof or the District of Columbia and (unless the Corporation is the resulting or surviving entity in any such consolidation or merger) assumes by supplemental indenture all of the obligations of the Corporation under each Series of Securities (if Securities of such Series are then outstanding) and this Indenture;

(2) immediately after giving effect to the transaction no Default or Event of Default shall have happened and be continuing; and

(3) the Corporation shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel each stating that the consolidation, merger or transfer and the supplemental indenture comply with this Indenture.

Section 5.2. *Successor Person Substituted.* Upon any consolidation or merger (other than any consolidation or merger where the Corporation is the resulting or surviving entity), or any transfer of all or substantially all of the assets of the Corporation and its subsidiaries, taken as a whole, in each case in accordance with Section 5.1 hereof, the successor entity formed by such consolidation or into or with which the Corporation is merged or to which such transfer is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger or transfer, the provisions of this Indenture referring to the "Corporation" or the "Issuer" shall refer instead to the successor entity and not to the Corporation), and shall exercise every right and power of, the Corporation under this Indenture with the same effect as if such successor Person had been named as the Corporation herein and the Corporation shall be released from all obligations under the Securities and this Indenture.

## ARTICLE 6

### DEFAULTS AND REMEDIES

Section 6.1. *Events of Default.* Each of the following constitutes an "Event of Default" in respect of a Series of Securities:

(1) the Corporation defaults in the payment of any interest on any Security of that Series when the same becomes due and payable and the Default continues for a period of 30 days;

(2) the Corporation defaults in the payment of the principal of (or in the case of any Discounted Security of that Series, the portion thereby specified in the terms of such Security) or premium, if any, on any Security of that Series when the same becomes due and payable;

(3) the Corporation fails to comply with any of its agreements in the Securities of that Series or this Indenture for the benefit of that Series (other than those referred to in clauses (1) or (2) above) and the Default continues for the period and after the notice specified in this Section 6.1;

(4) the Corporation pursuant to or within the meaning of any Bankruptcy Law:

(A) commences a voluntary case,

(B) consents to the entry of an order for relief against it in an involuntary case,

(C) consents to the appointment of a Custodian of it or for all or substantially all of its property, or

(D) makes a general assignment for the benefit of its creditors;

(5) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(i) is for relief against the Corporation in an involuntary case,

(ii) appoints a Custodian of the Corporation or for all or substantially all of its property, or

(iii) orders the winding up or liquidation of the Corporation, and

the order or decree remains unstayed and in effect for 60 days; or

(6) there occurs any other event specifically described as an Event of Default by the Securities of that Series.

A default under clause (3) shall not be an Event of Default with respect to a Series of Securities until the Trustee or the Holders of at least 25% in principal amount of the then outstanding Securities of such Series issued pursuant to this Indenture (including any additional Securities of such Series issued pursuant to this Indenture after the Issue Date) notify the Corporation in writing of the Default and the Corporation does not cure the Default within 90 days after receipt of the notice. The notice must specify the Default, demand that it be remedied and state that the notice is a "Notice of Default." Subject to Sections 7.1 and 7.2, the Trustee shall not be charged with actual knowledge of any Default, or of the delivery to the Corporation of a notice of Default by any Holder, unless written notice thereof shall have been given to a Responsible Officer of the Trustee by the Corporation, the Paying Agent, the Holder of a Security or an agent of such Holder.

Section 6.2. *Acceleration*. If an Event of Default in respect of the Securities of a particular Series (other than an Event of Default specified in clause (4) or (5) of Section 6.1) occurs and is continuing, then the Trustee or the Holders of not less than 25% in aggregate principal amount of the then outstanding Securities of such Series issued pursuant to this Indenture (including any additional Securities of such Series issued pursuant to this Indenture after the Issue Date) may declare the principal (or, in the case of Discounted Securities, such amount of principal as may be provided for in such Securities) of all of such outstanding Securities and any accrued interest on such Securities to be due and payable immediately by a notice in writing to the Corporation (and to the Trustee if given by the Holders); provided, however, that if an Event of Default specified in clause (4) or (5) of Section 6.1 occurs and is continuing, then the principal and accrued and unpaid interest on all the Securities of that Series shall become immediately due and payable without any declaration or other act on the part of the Trustee or any Holders; provided further, however, that Holders of a majority in aggregate principal amount of the then outstanding Securities of a Series issued pursuant to this Indenture (including any additional Securities of such Series issued pursuant to this Indenture after the Issue Date), by notice to the Trustee, may rescind and annul a declaration of acceleration (and upon such rescission any Event of Default caused by such acceleration shall be deemed cured) with respect to that Series and its consequences if all existing Events of Default with respect to the Series have been cured or waived, if the rescission and annulment would not conflict with any judgment or decree of a court of competent jurisdiction obtained by the Trustee for the payment of amounts due on the Securities, and if all payments due to the Trustee under Section 7.7 have been made.

Section 6.3. *Other Remedies*. If an Event of Default with respect to a Series of Securities occurs and is continuing, the Trustee may pursue any available remedy by proceeding at law or in equity to collect the payment of principal (or, in the case of Discounted Securities, such amount of principal as may be provided for in such Securities), premium, if any, or interest on the Securities of that Series or to enforce the performance of any provision of such Securities or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Securities or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Securityholder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative to the extent permitted by law.

Section 6.4. *Waiver of Past Defaults*. Subject to Section 9.2, the Holders of a majority in principal amount of the Securities of a Series (including any additional Securities of such Series issued pursuant to this Indenture after the Issue Date) by notice to the Trustee may waive an existing Default or Event of Default with respect to that Series and its consequences. When a Default or Event of Default is waived, it is cured and stops continuing, but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereto.

Section 6.5. *Control by Majority.* The Holders of a majority in principal amount of the Securities of a Series may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on it with respect to that Series. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture, or, subject to Section 7.1, that the Trustee determines is unduly prejudicial to the rights of other Holders of Securities of the same Series or would involve the Trustee in personal liability.

Section 6.6. *Limitation on Suits.* No Holder of a Security of any Series may pursue any remedy with respect to this Indenture or the Securities unless:

- (1) the Holder gives to the Trustee written notice stating that an Event of Default with respect to the Securities of the Series is continuing;
- (2) the Holders of at least 25% in principal amount of the Securities of that Series (including any additional Securities of such Series issued pursuant to this Indenture after the Issue Date) make a written request to the Trustee to pursue the remedy;
- (3) such Holder or Holders offer to the Trustee indemnity satisfactory to the Trustee against any loss, liability or expense;
- (4) the Trustee does not comply with the request within 60 days after receipt of the request and the offer of indemnity; and
- (5) during such 60-day period the Holders of a majority in principal amount of the Securities of that Series (including any additional Securities of such Series issued pursuant to this Indenture after the Issue Date) do not give the Trustee a direction inconsistent with the request.

A Holder may not use this Indenture to prejudice the rights of another Securityholder or to obtain a preference or priority over another Holder.

Section 6.7. *Rights of Holders to Receive Payment.* Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal (or, in the case of a Discounted Security, the portion thereby specified in the terms of such Security), premium, if any, and interest on the Security on or after the respective due dates expressed in the Security, or to bring suit for the enforcement of any such payment on or after such respective date, shall not be impaired or affected without the consent of the Holder.

Section 6.8. *Collection Suit by Trustee.* If an Event of Default in payment of interest or principal specified in Section 6.1(1) or (2) occurs and is continuing with respect to a Series of Securities, the Trustee may recover judgment in its own name and as trustee of an express trust against the Corporation for the whole amount of principal and interest remaining unpaid.

Section 6.9. *Trustee May File Proofs of Claim.* The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and the Holders allowed in any judicial proceedings relative to the Corporation, or any of its creditors or property, and unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.7 hereof out of the estate in any such proceeding shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10. *Priorities.* If the Trustee collects any money pursuant to this Article 6 with respect to the Securities of any Series, it shall pay out the money in the following order:

First: to the Trustee for amounts due under Section 7.7;

Second: to Holders of Securities of that Series for amounts due and unpaid on such Securities for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities for principal, premium, if any, and interest, respectively; and

Third: to the Corporation.

The Trustee may fix a record date and payment date for any payment to Securityholders pursuant to this Section 6.10.

Section 6.11. *Undertaking for Costs.* In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit other than the Trustee of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.7 or a suit by Holders of more than 10% in principal amount of the Securities of any Series.

## ARTICLE 7

### TRUSTEE

Section 7.1. *Duties of Trustee.* (a) If an Event of Default has occurred and is continuing, the Trustee shall, with respect to Securities exercise its rights and powers and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(b) Except during the continuance of an Event of Default:

(1) the Trustee need perform only those duties that are specifically and expressly set forth in this Indenture or the TIA and no others; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates, notices or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall examine the certificates, notices and opinions to determine whether or not they conform to the requirements of this Indenture.

(c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct except that:

(1) this paragraph does not limit the effect of paragraph (b) of this Section 7.1;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.5;

(d) Every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b) and (c) of this Section 7.1;

(e) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree with the Corporation.

(f) No provision of this Indenture shall require the Trustee to expend or risk its own funds or incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it. The Trustee shall be under no obligation to exercise any of its rights and powers under this Indenture at the request or direction of any of the Holders, unless such Holder has offered to the Trustee security or indemnity reasonably satisfactory to it against any loss, liability or expense.

Section 7.2. *Rights of Trustee.* (a) Subject to Section 7.1, the Trustee may rely on any document (whether in its original, electronic or facsimile form) believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on an Officers' Certificate or Opinion of Counsel.

(c) The Trustee may act through agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers.

(e) The Trustee may consult with counsel of its own selection and the advice or opinion of counsel with respect to legal matters relating to this Indenture and the Securities shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in reliance upon the advice or opinion of such counsel.

(f) The Trustee may refuse to perform any duty or exercise any right or power unless it receives indemnity satisfactory to it from the Corporation, or where Holders of Securities of a Series are seeking to direct the Trustee to take action under this Indenture, such Holders, against any loss, liability or expense.

(g) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond, debenture, note or other paper or document unless requested in writing to do so by the Holders of a majority in aggregate principal amount of the then outstanding Securities issued pursuant to this Indenture (including any additional Securities issued pursuant to this Indenture after the Issue Date).

(h) The rights, privileges, protections, immunities and benefits given to the Trustee, including its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(i) The Trustee shall not be responsible or liable for any action taken or omitted by it in good faith at the direction of the Holders of a majority in aggregate principal amount of the then outstanding Securities issued pursuant to this Indenture (including any additional Securities issued pursuant to this Indenture after the Issue Date) as to the time, method and place of conducting any proceedings for any remedy available to the Trustee or the exercising of any power conferred by this Indenture.

(j) Any action taken, or omitted to be taken, by the Trustee in good faith pursuant to this Indenture upon the request or authority or consent of any Person who, at the time of making such request or giving such authority or consent, is the Holder of any Security shall be conclusive and binding upon future holders of such Security and upon Securities executed and delivered in exchange therefor or in place thereof.

(k) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a Default (and stating the occurrence of a Default or Event of Default) is received by the Trustee at the corporate trust office of the Trustee, and such notice references the Securities and this Indenture.

(l) The Trustee may request that the Corporation deliver an Officers' Certificate setting forth the names of individuals and/or titles of Officers authorized at such time to take specified actions pursuant to this Indenture.

(m) The Trustee shall not be responsible or liable for punitive, special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of actions.

(n) The Trustee shall not be required to give any bond or surety in respect of the execution of the trusts and powers under this Indenture.

(o) Any permissive right of the Trustee to take or refrain from taking actions enumerated in this Indenture shall not be construed as a duty.

(p) The Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused, directly or indirectly, by acts of God; earthquakes; fire; flood; terrorism; wars and other military disturbances; sabotage; epidemics; riots; and acts of civil or military authorities and governmental action.

Section 7.3. *Individual Rights of Trustee, etc.* The Trustee in its individual or any other capacity may become the owner or pledgee of Securities and may otherwise deal with the Corporation or any of its Affiliates with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest as defined in TIA § 310(b), it must eliminate such conflict within 90 days, apply to the SEC for permission to continue as Trustee, or resign. Any Agent may do the same with like rights. Notwithstanding the foregoing, the Trustee must comply with Sections 7.10 and 7.11.

Section 7.4. *Trustee's Disclaimer.* The Trustee makes no representations as to the validity or adequacy of this Indenture or the Securities, it shall not be accountable for the Corporation's use of the proceeds from the Securities, and it shall not be responsible for any statement in the Securities other than its certificate of authentication.

Section 7.5. *Notice of Defaults.* If an Event of Default occurs with respect to a Series of Securities and is continuing and if it is actually known to the Trustee, the Trustee shall send to each Holder of Securities of that Series notice of the Event of Default within 90 days after it occurs, unless the Event of Default is cured or waived. Except in the case of an Event of Default in payment of principal, premium, if any, or interest on any Security, the Trustee may withhold the notice if and so long as a committee of its Responsible Officers determines in good faith that withholding the notice is in the interests of such Holders.

Section 7.6. *Reports by Trustee to Holders of the Securities.* If required pursuant to TIA § 313(a), the Trustee, within 60 days after each May 15, shall send to each Securityholder a brief report dated as of such May 15 that complies with TIA § 313(a). The Trustee also shall comply with the reporting obligations of TIA § 313(b).

A copy of each report at the time it is sent to Securityholders shall be filed with the SEC and each stock exchange on which the Securities are listed. The Corporation agrees to notify the Trustee whenever the Securities become listed on any stock exchange.

Section 7.7. *Compensation and Indemnity.* The Corporation shall pay to the Trustee from time to time reasonable compensation for its services. The Corporation shall reimburse the Trustee upon request for all reasonable out-of-pocket expenses incurred by it. Such expenses shall include the reasonable compensation and expenses of the Trustee's agents and counsel. The Corporation shall indemnify and hold harmless the Trustee (including the cost of defending itself) against any loss, cost, expense or liability, including taxes (other than taxes based upon, measured by or determined by the income of the Trustee) and including reasonable and documented attorneys' fees and expenses incurred by it except as set forth in the last sentence of this paragraph in the performance of its duties and exercise of its rights under this Indenture. The Trustee shall notify the Corporation promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Corporation shall not relieve the Corporation of its obligations hereunder except to the extent that the Corporation has been materially prejudiced thereby. The Corporation need not pay for any settlement made without its consent (not to be unreasonably withheld). This indemnification shall apply to officers, directors, employees, shareholders and agents of the Trustee. The Corporation need not reimburse any expense or indemnify against any loss or liability incurred by the Trustee or by any officer, director, employee, shareholder or agent of the Trustee through willful misconduct or negligence.

To secure the Corporation's payment obligations in this Section 7.7, the Trustee shall have a senior claim to which the Securities are hereby made subordinate on all money or property held or collected by the Trustee, except that held in trust to pay principal, premium, if any, of and interest on particular Securities.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.1(4) or (5) occurs, the expenses and the compensation for the services are intended to constitute expenses of administration under any Bankruptcy Law.

The obligations of the Corporation under this Section 7.7 shall survive the termination of this Indenture and the resignation or removal of the Trustee.

Section 7.8. *Replacement of Trustee.* The Trustee may resign with respect to the Securities of one or more Series by so notifying the Corporation. The Holders of a majority in principal amount of the then outstanding Securities of a Series issued pursuant to this Indenture (including any additional Securities issued pursuant to this Indenture after the Issue Date) may remove the Trustee with respect to that Series by so notifying the removed Trustee and may appoint a successor Trustee with the Corporation's consent. The Corporation may remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.10;
- (2) the Trustee is adjudged bankrupt or insolvent;
- (3) a receiver or other public officer takes charge of the Trustee or its property; or
- (4) the Trustee otherwise becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Corporation shall promptly appoint a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Corporation. Immediately thereafter, the retiring Trustee shall transfer all property held by it as Trustee for the benefit of the Series with respect to which it is retiring to the successor Trustee, and the resignation or removal of the retiring Trustee shall then become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture with respect to that Series. A successor Trustee shall send notice of its succession to each Holder of the Securities of the Series affected.

If pursuant to Section 2.3(5) a trustee, other than the Trustee initially named in this Indenture (or any successor thereto), is appointed with respect to one or more Series of Securities, the Corporation, the Trustee initially named in this Indenture (or any successor thereto) and such newly appointed trustee shall execute and deliver a supplement to this Indenture which shall contain such provisions as shall be necessary or desirable to confirm that all the rights, powers, trusts and duties of the Trustee initially named in this Indenture (or any successor thereto) with respect to the Securities of any Series as to which the Trustee is continuing as trustee hereunder shall continue to be vested in the Trustee initially named in this Indenture (or any successor thereto), and shall add to, supplement or change any of the provisions of this Indenture as shall be necessary or desirable to provide for or facilitate the administration of the trusts hereunder by more than one trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such trustees co-trustees of the same trust and that each such trustee shall be trustee of a trust or trusts relating to the separate Series of Securities as if it were acting under a separate indenture.

If a successor Trustee with respect to a Series of Securities does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Corporation or the Holders of a majority in aggregate principal amount of the then outstanding Securities of such Series issued pursuant to this Indenture (including any additional Securities issued pursuant to this Indenture after the Issue Date) may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee with respect to a Series of Securities fails to comply with Section 7.10, any Holder of Securities of that Series may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

If there are two or more Trustees at any time under this Indenture, each shall be the Trustee of a separate trust held under this Indenture for the benefit of the Series of Securities for which it is acting as Trustee and the rights and obligations of each Trustee will be determined as if it were acting under a separate indenture.

Section 7.9. *Successor Trustee by Merger, etc.* If the Trustee consolidates with, merges or converts into or transfers all or substantially all its corporate trust assets to another corporation, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

Section 7.10. *Eligibility; Disqualification.* This Indenture shall always have a Trustee that satisfies the requirements of TIA § 310(a). The Trustee shall have a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition. The Trustee shall comply with TIA § 310(b), provided that the question whether the Trustee has a conflicting interest shall be determined as if each Series of Securities were a separate issue of securities issued under separate indentures.

Section 7.11. *Preferential Collection of Claims Against the Corporation.* The Trustee shall comply with TIA § 311(a), excluding any creditor relationship listed in TIA § 311(b). A Trustee who has resigned or been removed shall be subject to TIA § 311(a) to the extent indicated therein.

Section 7.12. *Trustee's Application for Instructions from the Corporation.* Any application by the Trustee for written instructions from the Corporation may, at the option of the Trustee, set forth in writing any action proposed to be taken or omitted by the Trustee under this Indenture and the date on and/or after which such action shall be taken or such omission shall be effective. The Trustee shall not be liable for any action taken by, or omission of, the Trustee in accordance with a proposal included in such application on or after the date specified in such application (which date shall not be less than 20 Business Days after the date any officer of the Corporation actually receives such application, unless any such officer shall have consented in writing to any earlier date) unless prior to taking any such action (or the effective date in the case of an omission), the Trustee shall have received written instructions in response to such application specifying the action to be taken or omitted.

Section 7.13. *Calculations.* The Corporation shall be responsible for making all calculations and determinations required under this Indenture, except in the case of the Calculation Agent's determination of a floating rate of interest, as applicable. The Corporation shall make all calculations in good faith and, absent manifest error, the Corporation's calculations shall be final and binding on all Holders of Securities. Upon written request, the Corporation shall provide a schedule of its calculations to the Trustee. The Trustee may rely conclusively upon the accuracy of the Corporation's calculations without independent verification.

## ARTICLE 8

### **SATISFACTION, DISCHARGE AND DEFEASANCE**

Section 8.1. *Option To Effect Defeasance, Covenant Defeasance or Discharge.* The Corporation may, at the option of its Board of Directors evidenced by a Board Resolution set forth in an Officers' Certificate, at any time, elect to have Section 8.2, 8.3 or 8.8 hereof applied to all outstanding Securities of any Series upon compliance with the conditions set forth below in this Article 8. The Corporation's exercise of its option under Section 8.2 or 8.3 shall not preclude the Corporation from subsequently exercising its option under Section 8.8 hereof and the Corporation may so exercise that option by providing the Trustee with written notice to such effect.

Section 8.2. *Defeasance.* Upon the Corporation's exercise under Section 8.1 hereof of the option applicable to this Section 8.2, the Corporation shall, subject to the satisfaction of the conditions set forth in Section 8.4 hereof, be deemed to have been discharged from the obligations thereof with respect to all outstanding Securities of such Series on the date the conditions set forth below are satisfied (hereinafter, "defeasance"). For this purpose, defeasance means that the Corporation shall be deemed to have paid and discharged the entire Debt represented by the outstanding Securities of the applicable Series, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.5 hereof and the other Sections of this Indenture referred to in (a) and (b) below, and to have satisfied all of its other obligations under such Securities and this Indenture (and the Trustee, on demand of and at the expense of the Corporation, shall execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder: (a) the rights of Holders of outstanding Securities of such Series to receive payments in respect of the principal of, premium, if any, and interest, if any, on such Securities when such payments are due from the trust referred to in Section 8.4(1); (b) the Corporation's obligations with respect to such Securities under Sections 2.2, 2.4, 2.5, 2.6, 2.7, 2.8, 2.9 and 2.11 hereof; (c) the rights, powers, trusts, benefits and immunities of the Trustee, including without limitation thereunder, under Section 7.7, 8.5 and 8.7 hereof and the Corporation's obligations in connection therewith; (d) the Corporation's rights pursuant to Article 3; and (e) the provisions of this Article 8. Subject to compliance with this Article 8, the Corporation may exercise its option under this Section 8.2 with respect to any Series of Securities notwithstanding the prior exercise of its option under Section 8.3 hereof.

Section 8.3. *Covenant Defeasance*. Upon the Company's exercise under Section 8.1 hereof of the option applicable to this Section 8.3, with respect to any Series of Securities, the Corporation shall, subject to the satisfaction of the conditions set forth in Section 8.4 hereof, be released from the obligations thereof under any covenants applicable to such Series of Securities that are identified in the applicable Board Resolution or Resolutions or indenture supplemental hereto as being eligible for the provisions of this Section 8.3 on and after the date the conditions set forth below are satisfied (hereinafter, "covenant defeasance"), and the Securities of such Series shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Securities shall not be deemed outstanding for accounting purposes). For this purpose, covenant defeasance means that, with respect to the outstanding Securities of the applicable Series, the Corporation or any of its Subsidiaries may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.1 hereof with respect to such Series of Securities, but, except as specified above, the remainder of this Indenture and such Securities shall be unaffected thereby.

Section 8.4. *Conditions to Defeasance or Covenant Defeasance*. The following shall be the conditions to the application of Section 8.2 or 8.3 hereof to the outstanding Securities of any Series of Securities:

(1) the Corporation has deposited or caused to be deposited with the Trustee or other qualifying trustee, in trust, specifically pledged as security for and dedicated solely to the benefit of the Holders of the Securities of that Series: (A) U.S. dollars, (B) U.S. Government Obligations or (C) a combination thereof, which through the payment of interest and principal in respect thereof in accordance with their terms (and, as to callable U.S. Government Obligations, regardless of when they are called) will provide not later than the opening of business on the due dates of any payment of principal of (or, in the case of a Discounted Security of that Series, the portion thereby specified in the terms of such Security) and interest on the Securities of that Series lawful money of the United States in an amount sufficient to pay and discharge the principal of, and premium, if any, and interest on the Securities of that Series on the day on which such payments are due and payable in accordance with the terms of this Indenture and of the Securities of that Series;

(2) the defeasance or covenant defeasance shall not result in a breach or violation of, or constitute a default under any material agreement or instrument (other than this Indenture or the applicable Series of Securities) to which the Corporation is a party or is bound;

(3) in the case of defeasance, the Corporation shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that:

(i) the Corporation has received from, or there has been published by, the Internal Revenue Service a ruling; or

(ii) since the issue date of that particular Series of Securities under this Indenture, there has been a change in applicable U.S. federal income tax law,

in either case, to the effect that, and based on such ruling or change the Opinion of Counsel shall confirm that, the Holders of the Securities of the applicable Series will not recognize income, gain or loss for U.S. federal income tax purposes as a result of the defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if the defeasance had not occurred;

(4) in the case of covenant defeasance, the Corporation shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee to the effect that the Holders of the Securities of the applicable Series will not recognize income, gain or loss for U.S. federal income tax purposes as a result of the covenant defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if the covenant defeasance had not occurred;

(5) no Event of Default with respect to the Securities of the applicable Series shall have occurred and be continuing on the date of the deposit into trust (other than an Event of Default resulting from the incurrence of Debt to be applied to such deposit or the grant of any Lien to secure such Debt); and, solely in the case of defeasance, no Event of Default arising from specified events of bankruptcy, insolvency, or reorganization with respect to the Corporation or Default which with notice or lapse of time or both would become such an Event of Default shall have occurred and be continuing during the period ending on the 91st day after the date of the deposit into trust; and

(6) the Corporation shall have delivered to the Trustee an Officers' Certificate and Opinion of Counsel to the effect that all conditions precedent to the defeasance or covenant defeasance, as the case may be, have been satisfied.

Notwithstanding the foregoing, the Opinion of Counsel required by clause (3) above with respect to a defeasance need not be delivered if all Securities not therefore delivered to the Trustee for cancellation (x) have become due and payable, or (y) will become due and payable at the maturity date of such Security within one year under arrangements reasonably satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Corporation.

Section 8.5. *Deposited Money and Government Securities To Be Held in Trust; Other Miscellaneous Provisions.* Subject to Section 8.6 hereof, the trust established pursuant to Section 8.4(1) or 8.8(1) shall be irrevocable and shall be made under the terms of an escrow trust agreement reasonably satisfactory to the Trustee or other arrangement reasonably satisfactory to the Trustee. If any Securities are to be redeemed prior to the maturity date of such Security pursuant to optional redemption provisions of Article 3 hereof, the applicable escrow trust agreement or other arrangement shall provide therefor and the Corporation shall make such arrangements as are satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Corporation.

The Trustee shall hold in trust money and U.S. Government Obligations in respect of that Series deposited with it pursuant to Sections 8.4 or 8.8. It shall apply the deposited money and U.S. Government Obligations, through the Paying Agent and in accordance with this Indenture, to the payment of principal, and premium, if any, and interest on the Securities of the Series for the payment of which such money and U.S. Government Obligations has been deposited. The Holder of any Security replaced pursuant to Section 2.7 shall not be entitled to any such payment and shall look only to the Corporation for any payment which such Holder may be entitled to collect. In connection with defeasance, covenant defeasance or the satisfaction and discharge of this Indenture with respect to Securities of a Series pursuant to Section 8.2, 8.3 or 8.8 hereof, respectively, the escrow trust agreement or other arrangement may, at the Corporation's election, (1) enable the Corporation to direct the Trustee to invest any money received by the Trustee on the U.S. Government Obligations deposited in trust thereunder in additional U.S. Government Obligations and (2) enable the Corporation to withdraw moneys or U.S. Government Obligations from the trust from time to time; provided, however, that the condition specified in Section 8.4(1) or 8.8(1) is satisfied immediately following any investment of such money by the Trustee or the withdrawal of moneys or U. S. Government Obligations from the trust by the Corporation, as the case may be.

Section 8.6. *Repayment to Corporation.* The Trustee and the Paying Agent shall promptly pay to the Corporation upon request any excess money or securities held by them at any time. Any money deposited with the Trustee or any Paying Agent, or then held by the Corporation, in trust for the payment of the principal of, premium, if any, or interest, if any, on any Security and remaining unclaimed for two years after such principal and premium, if any, or interest has become due and payable shall be paid to the Corporation on its written request or (if then held by the Corporation) shall be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Corporation for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Corporation as trustee thereof, shall thereupon cease.

Section 8.7. *Reinstatement.* If the Trustee or Paying Agent is unable to apply any United States dollars or U.S. Government Obligations in accordance with

Section 8.2, 8.3 or 8.8 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the obligations of the Corporation under this Indenture and the Securities of the applicable Series shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.2, 8.3 or 8.8 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.2, 8.3 or 8.8 hereof, as the case may be; provided, however, that, if the Corporation makes any payment of principal of, premium, if any, or interest on any Security following the reinstatement of its obligations, the Corporation shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money held by the Trustee or Paying Agent.

Section 8.8. *Discharge*. The Corporation may terminate all its obligations under this Indenture with respect to any or all Series of Securities, and, with respect to such Series of Securities, this Indenture shall cease to be of further effect, effective on the date the following conditions are satisfied:

(1) either: (A) all outstanding Securities of such Series (other than any Securities destroyed, lost or stolen and replaced or paid as provided in Section 2.7) have been delivered to the Trustee for cancellation or (B) all Securities of such Series have become due and payable or will become due and payable at their maturity within one year or are to be called for redemption within one year, and the Corporation has deposited with the Trustee, in trust, funds in (I) U.S. dollars, (II) U.S. Government Obligations or (III) a combination thereof, which through the payment of interest and principal in respect thereof in accordance with their terms (and, as to callable U.S. Government Obligations, regardless of when they are called) will provide an amount sufficient to pay the entire indebtedness on the Securities of such Series, including the principal thereof and, premium, if any, and interest, if any, thereon, (x) to the date of such deposit, if the Securities of such Series have become due and payable, or (y) to the maturity date of the Securities of such Series (or the redemption date thereof if the Corporation has made irrevocable arrangements satisfactory to the Trustee for the giving of notice of redemption), as the case may be;

(2) the Corporation has paid all other sums payable under this Indenture with respect to the Securities of such Series (including amounts payable to the Trustee); and

(3) the Trustee has received an Officers' Certificate and an Opinion of Counsel to the effect that all conditions precedent to the satisfaction and discharge of this Indenture in respect of the Securities of such Series have been satisfied.

Notwithstanding the satisfaction and discharge of this Indenture with respect to any Series of Securities, the obligations of the Corporation to the Trustee under Section 7.7 and, if money shall have been deposited with the Trustee pursuant to subclause (B) of clause (1) of this Section 8.8, the obligations of the Corporation and the Trustee with respect to the Securities of such Series under Sections 8.5, 8.6 and 8.7, shall survive such satisfaction and discharge.

The Trustee, at the expense of the Corporation, shall, upon the request of the Corporation, execute proper instruments acknowledging satisfaction and discharge of this Indenture with respect to Securities of the applicable Series. Upon the satisfaction of the conditions set forth in this Section 8.8 with respect to the Securities of a Series, the terms and conditions of such Securities, including the terms and conditions with respect thereto set forth in this Indenture, shall no longer be binding upon, or applicable to, the Corporation.

### **AMENDMENTS, SUPPLEMENTS AND WAIVERS**

Section 9.1. *Without Consent of Holders.* Notwithstanding Section 9.2 of this Indenture, without notice to or the consent of any Holders of any Series of Securities, the Corporation and the Trustee, at any time and from time to time, may amend this Indenture or enter into one or more supplemental indentures to this Indenture and any of the Securities for any of the following purposes:

(1) to cure any ambiguity, omission, defect or inconsistency;

(2) with respect to any Series of Securities, to conform the text of this Indenture or the Securities (insofar as applicable to such Series) to any provision of the section of the Prospectus related to such Series titled "Description of the notes" (or the equivalent thereof) to the extent that the Trustee has received an Officers' Certificate stating that such text constitutes an unintended conflict with the description of the corresponding provision in such section;

(3) to provide for uncertificated Securities in addition to or in place of certificated Securities;

(4) to comply with Article 5;

(5) to effectuate or comply with the provisions of Section 2.3 or 7.8;

(6) to provide for the issuance of additional Securities of a Series in accordance with the terms of this Indenture;

(7) to make any change that by its terms does not materially adversely affect the rights of any Holder of any Security of such Series (as determined in good faith by the Corporation);

(8) to add or change or eliminate any provisions of this Indenture as shall be necessary or desirable in accordance with any amendments to the TIA; or

(9) with respect to any Series of Securities, amend or supplement this Indenture in a manner that by its terms does not affect such Series of Securities, even if the amendment or supplement affects other Series of Securities issued under this Indenture

The Trustee may waive compliance by the Corporation with any provision of this Indenture or the Securities of any Series without notice to or consent of any Securityholder of such Series if the waiver does not materially adversely affect the rights of any Holder of any Securities of such Series in the determination of the Corporation.

Section 9.2. *With Consent of Holders.* With the consent of the Holders of a majority in aggregate principal amount of the then outstanding Securities issued pursuant to this Indenture (including any additional Securities issued pursuant to this Indenture after the Issue Date), voting as a single class, the Corporation and the Trustee may amend this Indenture or enter into one or more supplemental indentures to this Indenture for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or the Securities or of modifying in any manner the rights of the Holders under this Indenture, including the definitions herein; provided that (i) if any such amendment or supplement would by its terms disproportionately and adversely affect any Series of Securities under this Indenture, such amendment or supplement shall also require the consent of the Holders of a majority in aggregate principal amount of the then outstanding Securities of such Series issued pursuant to this Indenture (including any additional Securities of such Series issued pursuant to this Indenture after the Issue Date) and (ii) if any such amendment or supplement would only affect the Securities of some but not all Series, then only the consent of the Holders of a majority in aggregate principal amount of the then outstanding Securities of all such affected Series issued pursuant to this Indenture (including any additional Securities of any such Series issued pursuant to this Indenture after the Issue Date) (and not the consent of a majority in aggregate principal amount of all the then outstanding Securities issued under this Indenture) shall be required; and provided, further, that the Corporation and the Trustee may not, without the consent of the Holder of each outstanding Security of a Series affected thereby:

- (1) reduce the principal amount of Securities of such Series whose Holders must consent to an amendment, supplement or waiver;
- (2) reduce the rate of (or change the manner of the calculation of the rate of), or extend the time for payment of, interest on any Security of such Series;
- (3) reduce the principal of or extend the fixed maturity of any Security of such Series;
- (4) reduce the portion of the principal amount of a Discounted Security of such Series payable upon acceleration of its maturity;
- (5) make any Security of such Series payable in money other than that stated in such Security; or

(6) impair the ability of Holders of the Securities of such Series to institute suit to enforce the obligation of the Corporation to make any principal, premium or interest payment due in respect of such Securities.

The Holders of a majority in aggregate principal amount of the then outstanding Securities issued pursuant to this Indenture (including any additional Securities issued pursuant to this Indenture after the Issue Date), voting as a single class, may on behalf of the Holders of all the Securities issued pursuant to this Indenture waive any past Default under this Indenture and its consequences or compliance with any provisions of this Indenture or the Securities; provided that (i) if any such waiver would by its terms disproportionately and adversely affect any Series of Securities under this Indenture, such waiver shall also require the consent of the Holders of a majority in aggregate principal amount of the then outstanding Securities of such Series issued pursuant to this Indenture (including any additional Securities of such Series issued pursuant to this Indenture after the Issue Date) and (ii) if any such waiver would only affect the Securities of some but not all Series, then only the consent of the Holders of a majority in aggregate principal amount of the then outstanding Securities of all such affected Series issued pursuant to this Indenture (including any additional Securities of any such Series issued pursuant to this Indenture after the Issue Date) (and not the consent of a majority in aggregate principal amount of all the then outstanding Securities issued under this Indenture) shall be required; and provided, further, that no waiver shall be effective without the consent of the Holder of each outstanding Security affected thereby in the case of a Default (1) in any payment of principal, premium, if any, or interest due in respect of any Security or (2) in respect of other provisions which under this Indenture cannot be modified or amended without the consent of the Holder of each outstanding Security affected.

It shall not be necessary for the consent of the Holders under this Section 9.2 to approve the particular form of any proposed amendment, supplement or waiver, but it shall be sufficient if such consent approves the substance thereof.

Section 9.3. *Compliance with Trust Indenture Act of 1939.* Every amendment or supplement to this Indenture or the Securities shall comply with the TIA as then in effect.

Section 9.4. *Revocation and Effect of Consents.* A consent to an amendment, supplement or waiver by a Holder of a Security shall bind the Holder and every subsequent Holder of that Security or portion of the Security that evidences the same debt as the consenting Holder's Security, even if notation of the consent is not made on the Security. However, any such Holder or subsequent Holder may revoke the consent as to its Security or portion of the Security by delivery to the Trustee of written notice of revocation before the date the amendment, supplement or waiver becomes effective.

After an amendment, supplement or waiver becomes effective, it shall bind every Holder unless it makes a change described in the second proviso in the first or second paragraphs of Section 9.2. In that case, the amendment, supplement or waiver shall bind each Holder of a Security who has consented to it and every subsequent Holder of a Security or portion of a Security that evidences the same debt as the consenting Holder's Security.

Section 9.5. *Notation on or Exchange of Securities.* If an amendment, supplement or waiver changes the terms of a Security, the Trustee may require the Holder of the Security to deliver it to the Trustee. The Trustee may place an appropriate notation on the Security about the changed terms and return it to the Holder. Alternatively, if the Corporation or the Trustee so determine, the Corporation in exchange for the Security shall issue and the Trustee shall authenticate a new Security of the same Series that reflects the changed terms.

Failure to make the appropriate notation or issue a new Security shall not affect the validity and effect of such amendment, supplement or waiver

Section 9.6. *Trustee to Sign Amendments, etc.* The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article 9 if the amendment, supplement or waiver does not adversely affect the rights, duties, liabilities or immunities of the Trustee. If such amendment, supplement or waiver does so adversely affect the Trustee, the Trustee may but need not sign it. In signing such amendment, supplement or waiver the Trustee shall be entitled to receive, and (subject to Section 7.1) shall be fully protected in relying upon (in addition to the documents provided for under Section 11.4), an Officers' Certificate and Opinion of Counsel stating that such amendment, supplement or waiver is authorized or permitted by this Indenture.

## ARTICLE 10

### SUBORDINATION OF SECURITIES

Section 10.1. *Securities Subordinate to Senior Debt.* The Corporation covenants and agrees, and each Holder of Securities of any Series by the Holder's acceptance thereof, likewise covenants and agrees, that, to the extent and in the manner hereinafter set forth in this Article 10, subject to the provisions of Article 8 and except as may otherwise be specified pursuant to Section 2.3 and set forth in the Securities of a Series, the indebtedness represented by Securities of such Series and the payment of the principal of and any premium and interest on each and all of the Securities of such Series are hereby expressly made subordinate and junior in right of payment to the prior payment in full of all amounts then due and payable in respect of all Senior Debt of the Corporation, to the extent and in the manner herein set forth (unless a different manner is set forth in the Securities of such Series). No provision of this Article shall prevent the occurrence of any default or Event of Default hereunder.

Senior Debt shall not be deemed to have been paid in full unless the holders thereof shall have received cash, securities or other property equal to the amount of such Senior Debt then outstanding.

Section 10.2. *Distribution on Dissolution, Liquidation and Reorganization; Subrogation of Securities.* Except as otherwise specified pursuant to

Section 2.3 with respect to any Series of Securities, upon any distribution of assets of the Corporation upon any dissolution, winding up, liquidation or reorganization of the Corporation, whether in bankruptcy, insolvency, reorganization or receivership proceedings or upon an assignment for the benefit of creditors or any other marshalling of the assets and liabilities of the Corporation or otherwise (subject to the power of a court of competent jurisdiction to make other equitable provision reflecting the rights conferred in this Indenture upon the Senior Debt and the holders thereof with respect to the Securities and the Holders thereof by a lawful plan of reorganization under applicable bankruptcy law):

(i) the holders of all Senior Debt shall be entitled to receive payment in full of the principal thereof, premium, if any, and interest due thereon before the Holders of the Securities are entitled to receive any payment upon the principal, premium, if any, or interest, if any, on Debt evidenced by the Securities; and

(ii) any payment or distribution of assets of the Corporation of any kind or character, whether in cash, property or securities, to which the Holders of the Securities or the Trustee would be entitled except for the provisions of this Article 10 shall be paid by the liquidation trustee or agent or other person making such payment or distribution, whether a trustee in bankruptcy, a receiver or liquidating trustee or otherwise, directly to the holders of Senior Debt or their representative or representatives or to the trustee or trustees under any indenture under which any instruments evidencing any of such Senior Debt may have been issued, ratably according to the aggregate amounts remaining unpaid on account of the principal of, and premium, if any, and interest on the Senior Debt held or represented by each, to the extent necessary to make payment in full of all Senior Debt remaining unpaid, after giving effect to any concurrent payment or distribution to the holders of such Senior Debt; and

(iii) in the event that, notwithstanding the foregoing, any payment or distribution of assets of the Corporation of any kind or character, whether in cash, property or securities, shall be received by the Trustee or the Holders of the Securities before all Senior Debt is paid in full, such payment or distribution shall be paid over, upon written notice to a Responsible Officer, to the holder of such Senior Debt or his, her or its representative or representatives or to the trustee or trustees under any indenture under which any instrument evidencing any of such Senior Debt may have been issued, ratably as aforesaid, for application to payment of all Senior Debt remaining unpaid until all such Senior Debt shall have been paid in full, after giving effect to any concurrent payment or distribution to the holders of such Senior Debt.

Subject to the payment in full of all Senior Debt, the Holders of the Securities shall be subrogated to the rights of the holders of Senior Debt (to the extent that distributions otherwise payable to such holder have been applied to the payment of Senior Debt) to receive payments or distributions of cash, property or securities of the Corporation applicable to Senior Debt until the principal of, premium, if any and interest,

if any, on the Securities shall be paid in full and no such payments or distributions to the Holders of the Securities of cash, property or securities otherwise distributable to the holders of Senior Debt shall, as between the Corporation, its creditors other than the holders of Senior Debt, and the Holders of the Securities be deemed to be a payment by the Corporation to or on account of the Securities. It is understood that the provisions of this Article 10 are and are intended solely for the purpose of defining the relative rights of the Holders of the Securities, on the one hand, and the holders of the Senior Debt, on the other hand. Nothing contained in this Article 10 or elsewhere in this Indenture or in the Securities is intended to or shall impair, as between the Corporation, its creditors other than the holders of Senior Debt, and the Holders of the Securities, the obligation of the Corporation, which is unconditional and absolute, to pay to the Holders of the Securities the principal of, premium, if any, and interest, if any, on the Securities as and when the same shall become due and payable in accordance with their terms, or to affect the relative rights of the Holders of the Securities and creditors of the Corporation other than the holders of Senior Debt, nor shall anything herein or in the Securities prevent the Trustee or the Holder of any Security from exercising all remedies otherwise permitted by applicable law upon default under this Indenture, subject to the rights, if any, under this Article 10 of the holders of Senior Debt in respect of cash, property or securities of the Corporation received upon the exercise of any such remedy. Upon any payment or distribution of assets of the Corporation referred to in this Article 10, the Trustee, subject to the provisions of Section 10.5, shall be entitled to rely upon a certificate of the liquidating trustee or agent or other person making any distribution to the Trustee for the purpose of ascertaining the Persons entitled to participate in such distribution, the holders of Senior Debt and other Debt of the Corporation, the amount thereof or payable thereon, the amount or amounts paid or distributed thereof and all other facts pertinent thereto or to this Article 10.

Section 10.3. *No Payment on Securities in Event of Default on Senior Debt.* Except as otherwise specified pursuant to Section 2.3 with respect to any Series of Securities, no payment by the Corporation on account of principal, premium, if any, sinking funds or interest, if any, on the Securities shall be made at anytime if: (a) a default on Senior Debt exists that permits the holders of such Senior Debt to accelerate its maturity and (b) the default is the subject of judicial proceedings or the Corporation has received notice of such default. The Corporation may resume payments on the Securities when full payment of amounts then due for principal, premium, if any, sinking funds and interest on Senior Debt has been made or duly provided for in money or money's worth.

Section 10.4. *Payments on Securities Permitted.* Except as otherwise specified pursuant to Section 2.3 with respect to any Series of Securities, nothing contained in this Indenture or in any of the Securities shall (a) affect the obligation of the Corporation to make, or prevent the Corporation from making, at any time except as provided in Sections 10.2 and 10.3, payments of principal of, premium, if any, or interest, if any, on the Securities or (b) prevent the application by the Trustee of any moneys or assets deposited with it hereunder to the payment of or on account of the principal of, premium, if any, or interest, if any, on the Securities, unless a Responsible Officer shall have received at its office written notice of any fact prohibiting the making of such payment from the Corporation or from the holder of any Senior Debt or from the trustee for any such holder, together with proof satisfactory to the Trustee of such holding of Senior Debt or of the authority of such trustee more than two business days prior to the date fixed for such payment.

Section 10.5. *Authorization of Securityholders to Trustee to Effect Subordination.* Except as otherwise specified pursuant to Section 2.3 with respect to any Series of Securities, each Holder of Securities by his acceptance thereof authorizes and directs the Trustee on his, her or its behalf to take such action as may be reasonably necessary or appropriate to effectuate the subordination as provided in this Article 10 and appoints the Trustee his, her or its attorney-in-fact for any and all such purposes.

Section 10.6. *Notices to Trustee.* Except as otherwise specified pursuant to Section 2.3 with respect to any Series of Securities, notwithstanding the provisions of this Article 10 or any other provisions of this Indenture, neither the Trustee nor any Paying Agent (other than the Corporation or a Subsidiary) shall be charged with knowledge of the existence of any Senior Debt or of any fact which would prohibit the making of any payment of moneys or assets to or by the Trustee or such Paying Agent, unless and until a Responsible Officer or such Paying Agent shall have received (in the case of a Responsible Officer, at the office of the Trustee) written notice thereof from the Corporation or from the holder of any Senior Debt or from the trustee for any such holder, together with proof satisfactory to the Trustee of such holding of Senior Debt or of the authority of such trustee and, prior to the receipt of any such written notice, the Trustee shall be entitled in all respects conclusively to presume that no such facts exist; provided, however, that if at least two business days prior to the date upon which by the terms hereof any such moneys or assets may become payable for any purpose (including, without limitation, the payment of either the principal, premium, if any, or interest, if any, on any Security) a Responsible Officer shall not have received with respect to such moneys or assets the notice provided for in this Section 10.6, then, anything herein contained to the contrary notwithstanding, the Trustee shall have full power and authority to receive such moneys or assets and to apply the same to the purpose for which they were received, and shall not be affected by any notice to the contrary which may be received by it within two business days prior to such date. The Trustee shall be entitled to rely on the delivery to it of a written notice by a Person representing himself to be a holder of Senior Debt (or a trustee on behalf of such holder) to establish that such a notice has been given by a holder of Senior Debt or a trustee on behalf of any such holder. In the event that the Trustee determines in good faith that further evidence is required with respect to the right of any Person as a holder of Senior Debt to participate in any payment or distribution pursuant to this Article 10, the Trustee may request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of Senior Debt held by such Person, the extent to which such Person is entitled to participate in such payment or distribution and any other facts pertinent to the rights of such Person under this Article 10 and, if such evidence is not furnished, the Trustee may defer any payment to such Person pending judicial determination as to the right of such Person to receive such payment.

Section 10.7. *Trustee as Holder of Senior Debt.* Except as otherwise specified pursuant to Section 2.3 with respect to any Series of Securities, the Trustee in

its individual capacity shall be entitled to all the rights set forth in this Article 10 in respect of any Senior Debt at any time held by it to the same extent as any other holder of Senior Debt and nothing in this Indenture shall be construed to deprive the Trustee of any of its rights as such holder. Nothing in this Article 10 shall apply to claims of, or payments to, the Trustee under or pursuant to Sections 6.10 or 7.7.

Section 10.8. *Modifications of Terms of Senior Debt.* Except as otherwise specified pursuant to Section 2.3 with respect to any Series of Securities, any renewal or extension of the time of payment of any Senior Debt or the exercise by the holders of Senior Debt of any of their rights under any instrument creating or evidencing Senior Debt, including, without limitation, the waiver of default thereunder, may be made or done all without notice to or assent from the Holders of the Securities or the Trustee. No compromise, alteration, amendment, modification, extension, renewal or other change of, or waiver, consent or other action in respect of, any liability or obligation under or in respect of, or of any of the terms, covenants or conditions of any indenture or other instrument under which any Senior Debt is outstanding or of such Senior Debt, whether or not such release is in accordance with the provisions of any applicable document, shall in any way alter or affect any of the provisions of this Article 10 or of the Securities relating to the subordination thereof.

Section 10.9. *Reliance on Judicial Order or Certificate of Liquidating Agent.* Upon any payment or distribution of assets of the Corporation referred to in this Article 10, the Trustee and the Holders of the Securities shall be entitled to rely upon any order or decree entered by any court of competent jurisdiction in which such insolvency, bankruptcy, receivership, liquidation, reorganization, dissolution, winding up or similar case or proceeding is pending, or a certificate of the trustee in bankruptcy, liquidating trustee, custodian, receiver, assignee for the benefit of creditors, agent or other person making such payment or distribution, delivered to the Trustee or to the Holders of Securities, for the purpose of ascertaining the persons entitled to participate in such payment or distribution to holders of Senior Debt and other Debt of the Corporation, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article 10.

Section 10.10. *Satisfaction and Discharge.* Except as otherwise specified pursuant to Section 2.3 with respect to any Series of Securities, amounts and U.S. Government Obligations deposited in trust with the Trustee pursuant to and in accordance with Article 8 and not, at the time of such deposit, prohibited to be deposited under Sections 10.2 or 10.3 shall not be subject to this Article 10.

Section 10.11. *Trustee Has No Fiduciary Duty to Holders of Senior Debt.* With respect to the holders of Senior Debt, the Trustee undertakes to perform or to observe only such of its covenants and objectives as are specifically set forth in this Indenture, and no implied covenants or obligations with respect to the holders of Senior Debt shall be read into this Indenture against the Trustee. The Trustee shall not be deemed to owe any fiduciary duty to the holders of Senior Debt, and shall not be liable to any such holders if it shall mistakenly pay over or deliver to the Holders or the Corporation or any other Person, money or assets to which any holders of Senior Debt of the Corporation shall be entitled by virtue of this Article or otherwise.

Section 10.12. *Paying Agents Other than the Trustee.* In case at any time any Paying Agent other than the Trustee shall have been appointed by the Corporation and be then acting hereunder, the term “Trustee” as used in this Article shall in such case (unless the context shall otherwise require) be construed as extending to and including such Paying Agent within its meaning as fully for all intents and purposes as if such Paying Agent were named in this Article in addition to or in place of the Trustee; provided, however, that Sections 10.6, 10.7 and 10.11 shall not apply to the Corporation if it acts as Paying Agent.

Section 10.13. *Certain Conversions or Exchanges Deemed Payment.* For the purposes of this Article only, (a) the issuance and delivery of securities which are subordinate in right of payment to all then outstanding Senior Debt to substantially the same extent as the Securities are so subordinate (“Junior Securities”) (or cash paid in lieu of fractional shares) upon conversion or exchange of Securities of any Series as specified pursuant to Section 2.3, shall not be deemed to constitute a payment or distribution on account of the principal of or premium or interest on Securities of such Series or on account of the purchase or other acquisition of Securities of such Series and (b) the payment, issuance or delivery of cash, property or securities (other than Junior Securities and cash paid in lieu of fractional shares) upon conversion or exchange of Securities of any Series shall be deemed to constitute payment on account of the principal of such Securities of such Series. Nothing contained in this Article 10 or elsewhere in the Indenture or in the Securities of any Series is intended to or shall impair, as among the Corporation, its creditors other than holders of Senior Debt and the Holders of Securities of such Series the right, which is absolute and unconditional, of the Holder of any Securities of such Series to convert or exchange such Securities of such Series in accordance with the terms specified as specified pursuant to Section 2.3.

Section 10.14. *Defeasance of this Article 10.* The subordination of the Securities provided by this Article 10 is expressly made subject to the provisions for defeasance or covenant defeasance in Article 8 hereof and, anything herein to the contrary notwithstanding, upon the effectiveness of any such defeasance or covenant defeasance, the Securities then outstanding shall thereupon cease to be subordinated pursuant to this Article 10.

Section 11.7. *Legal Holidays.* A "Legal Holiday" is a Saturday, a Sunday, a legal holiday or a day on which banking institutions in New York, New York are not

required to be open. If a payment date is a Legal Holiday at a place of payment, payment shall be made at that place on the next succeeding day that is not a Legal Holiday, and no interest shall accrue for the intervening period in respect of such payment date. If a regular record date is a Legal Holiday in the state or other jurisdiction in which the Trustee maintains its principal place of business, then the record date shall be the next succeeding day that is not a Legal Holiday in such state or other jurisdiction.

Section 11.8. *No Personal Liability of Stockholders, Officers or Directors.* No director, officer, employee or stockholder, past, present or future, of the Corporation or any of its Subsidiaries, as such or in such capacity, shall have any liability for any obligations of the Corporation under the Securities or this Indenture by reason of his, her or its status as such director, officer, employee or stockholder. All such liability is waived and released as a condition of, and as partial consideration for, the execution of this Indenture and the issue of the Securities.

No recourse may, to the full extent permitted by applicable law, be taken, directly or indirectly, with respect to the obligations of the Corporation on the Securities or under this Indenture or any related documents, any certificate or other writing delivered in connection therewith, against (i) the Trustee in its individual capacity, or (ii) any partner, owner, beneficiary, agent, officer, director, employee, agent, successor or assign of the Trustee, each in its individual capacity or (iii) any holder of equity in the Trustee.

Section 11.9. *Governing Law.* THE LAW OF THE STATE OF NEW YORK SHALL GOVERN AND BE USED TO CONSTRUE THIS INDENTURE AND THE SECURITIES. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE SECURITIES OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 11.10. *No Adverse Interpretation of Other Agreements.* This Indenture may not be used to interpret another indenture, loan or debt agreement of the Corporation or any Subsidiary. Any such indenture, loan or debt agreement may not be used to interpret this Indenture.

Section 11.11. *Securities in a Foreign Currency.* Unless otherwise specified in an Officers' Certificate delivered pursuant to Section 2.1 of this Indenture with respect to a particular Series of Securities, whenever for purposes of this Indenture any action may be taken by the holders of a specified percentage in aggregate principal amount of Securities of all Series at the time outstanding and, at such time, there are outstanding Securities of any Series which are denominated in a Foreign Currency, then the principal amount of Securities of such Series which shall be deemed to be outstanding for the purpose of taking such action shall be that amount of U.S. dollars that could be obtained for such amount at the Market Exchange Rate on the record date fixed for such action or, if no record date is fixed, on the Business Day immediately preceding the date of such action.

Section 11.12. *Judgment Currency.* If, for the purpose of obtaining a judgment in any court with respect to any obligation of the Corporation hereunder or under any Security, it shall become necessary to convert into any other currency any amount in the currency due hereunder or under such Security, then such conversion shall be made by the Trustee (a) with respect to conversions between any Foreign Currency and U.S. dollars at the Market Exchange Rate as in effect on the date of entry of the judgment (the "Judgment Date") and (b) with respect to conversions of any Foreign Currency into any other Foreign Currency by (i) converting such Foreign Currency into U.S. dollars at the Market Exchange Rate as in effect on the Judgment Date and (ii) converting the sum of U.S. dollars so obtained into such other Foreign Currency at the Market Exchange Rate as in effect on the Judgment Date. If pursuant to any such judgment, conversion shall be made on a date (the "Substitute Date") other than the Judgment Date and there shall occur a change between any Market Exchange Rate used in such conversion as in effect on the Judgment Date and such Market Exchange Rate as in effect on the Substitute Date, the Corporation agrees to pay such additional amounts, if any, as may be necessary to ensure that the amount paid is equal to the amount in such other currency which, when converted at such Market Exchange Rate as in effect on the Judgment Date, is the amount due hereunder or under such Security. Any amount due from the Corporation under this Section 11.12 shall be due as a separate debt and is not to be affected by or merged into any judgment being obtained for any other sums due hereunder or in respect of any Security. In no event, however, shall the Corporation be required to pay more in the currency due hereunder or under such Security at the Market Exchange Rate as in effect on the Judgment Date than the amount of currency stated to be due hereunder or under such Security so that in any event the Corporation's obligations hereunder or under such Security will be effectively maintained as obligations in such currency, and the Corporation shall be entitled to withhold (or be reimbursed for, as the case may be) any excess of the amount actually realized upon any such conversion on the Substitute Date over the amount due and payable on the Judgment Date.

Section 11.13. *Successors.* All agreements of the Corporation in this Indenture and the Securities shall bind its successor. All agreements of the Trustee in this Indenture shall bind its successor.

Section 11.14. *Duplicate Originals.* The parties may sign any number of copies of this Indenture. Each signed copy (including via PDF) shall be an original, but all of them together represent the same agreement.

Section 11.15. *Acts of Holders; Record Dates.* (a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee and, where it is hereby expressly required, to the Corporation. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Corporation, if made in the manner provided in this Section 11.15. Notwithstanding the foregoing,

nothing herein shall prevent the Corporation, the Trustee or any agent of the Corporation or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or impairing, as between the Depository and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Security.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by a certificate of a notary public or other officer authorized by law to take acknowledgements of deeds, certifying that the individual signing such instrument or writing acknowledged to such officer the execution thereof. Where such execution is by a signer acting in a capacity other than such signer's individual capacity, such certificate or affidavit shall also constitute sufficient proof of such signer's authority. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner which the Trustee deems sufficient.

(c) The Corporation may, in the circumstances permitted by the TIA, fix any day as the record date for the purpose of determining the Holders of Securities of any Series entitled to give or take any request, demand, authorization, direction, notice, consent, waiver or other action, or to vote on any action, authorized or permitted to be given or taken by Holders of Securities of such Series. If not set by the Corporation prior to the first solicitation of a Holder of Securities of such Series made by any person in respect of any such action, or, in the case of any such vote, prior to such vote, the record date for any such action or vote shall be the 30th day (or, if later, the date of the most recent list of Holders required to be provided pursuant to Section 2.6) prior to such first solicitation or vote, as the case may be. With regard to any record date for action to be taken by the Holders of one or more Series of Securities, only the Holders of Securities of such Series on such date (or their duly designated proxies) shall be entitled to give or take, or vote on, the relevant action.

Section 11.16. *Force Majeure*. In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software or hardware) services; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Section 11.17. *Table of Contents, Headings, Etc.* The Table of Contents, Cross-Reference Table and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part of this Indenture and shall in no way modify or restrict any of the terms or provisions hereof.

Section 11.18. *U.S.A. PATRIOT Act.* The parties hereto acknowledge that in accordance with Section 326 of the U.S.A. PATRIOT Act, the Trustee is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustee. The parties to the Indenture agree that they will provide the Trustee with such information as it may request in order for the Trustee to satisfy the requirements of the U.S.A. PATRIOT Act.

Section 11.19. *Severability.* In case any provision in this Indenture or in the Securities shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 11.20. *Waiver of Jury Trial.* EACH OF THE CORPORATION, THE HOLDERS AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE SECURITIES, OR THE TRANSACTION CONTEMPLATED THEREBY.

Section 11.21. *Venue.* The Corporation hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Indenture or the Securities in any New York State or federal court. Each of the parties hereto irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

Martin Marietta Materials, Inc.  
Registration Statement on Form S-3

Dear Ladies and Gentlemen:

We have acted as counsel to Martin Marietta Materials, Inc., a North Carolina corporation (the "Company"), in connection with the preparation and filing with the Securities and Exchange Commission (the "Commission") of a registration statement on Form S-3 (the "Registration Statement") under the Securities Act of 1933, as amended (the "Securities Act"), relating to the registration under the Securities Act and the proposed issuance and sale from time to time pursuant to Rule 415 under the Securities Act of: (i) shares of common stock of the Company, \$0.01 par value per share (the "Common Stock"); (ii) shares of preferred stock of the Company, \$0.01 par value per share (the "Preferred Stock" and, together with the Common Stock, the "Stock"); (iii) senior debt securities (the "Senior Debt Securities") to be issued under the Indenture, dated as of May 22, 2017 (the "Base Indenture"), between the Company and Regions Bank, as trustee (in such capacity, the "Senior Trustee"), as amended and supplemented by the First Supplemental Indenture, dated as of May 22, 2017 (the "First Supplemental Indenture"), between the Company and the Senior Trustee, the Second Supplemental Indenture, dated as of December 20, 2017 (the "Second Supplemental Indenture"), between the Company and the Senior Trustee and the Third Supplemental Indenture, dated as of March 16, 2020 (the "Third Supplemental Indenture" and, together with the Base Indenture, the First Supplemental Indenture and the Second Supplemental Indenture, the "Senior Indenture", each of which is filed as an exhibit to the Registration Statement); (iv) subordinated debt securities (the "Subordinated Debt Securities" and, together with the Senior Debt Securities, the "Debt Securities"), to be issued by the Company under a subordinated indenture (the "Subordinated Indenture" and, together with the Senior Indenture, the "Indentures" and each, an "Indenture") to be entered into between the Company and Regions Bank, as trustee (in such capacity, the "Subordinated Trustee" and, together with the Senior Trustee, the "Trustees" and each, a "Trustee"), the form of which is filed as an exhibit to the Registration Statement; and (v) warrants to purchase Common Stock, Preferred Stock or Debt Securities (the "Warrants" and, together with the Debt Securities and the Stock, the "Securities").

In connection with this opinion, we have examined originals, or copies certified or otherwise identified to our satisfaction, of such corporate records, certificates of corporate officers and government officials and such other documents as we have deemed necessary or appropriate for the purposes of this opinion. As to various questions of fact material to this opinion, we have relied upon representations of officers or directors of the Company and documents furnished to us by the Company without independent verification of their accuracy. We have also assumed the genuineness of all signatures, the legal capacity and competency of all natural persons, the authenticity of all documents submitted to us as originals and the conformity to authentic original documents of all documents submitted to us as duplicates or copies.

Based upon and subject to the foregoing, and assuming that: (i) the Registration Statement and any supplements and amendments thereto (including post-effective amendments) will have become effective and will comply with all applicable laws; (ii) the Registration Statement and any supplements and amendments thereto (including post-effective amendments) will be effective and will comply with all applicable laws at the time the Securities are offered or issued as contemplated by the Registration Statement; (iii) a prospectus supplement will have been prepared and filed with the Commission describing the Securities offered thereby and will comply with all applicable laws; (iv) all Securities will be issued and sold in compliance with all applicable federal and state securities laws and in the manner stated in the Registration Statement and the appropriate prospectus supplement; (v) none of the terms of any Security to be established subsequent to the date hereof, nor the issuance and delivery of such Security, nor the compliance by the Company with the terms of such Security will violate any applicable law or will result in a violation of any provision of any instrument or agreement then binding upon the Company or any restriction imposed by any court or governmental body having jurisdiction over the Company; (vi) a definitive purchase, underwriting or similar agreement and any other necessary agreement with respect to any Securities offered or issued will have been duly authorized and validly executed and delivered by the Company and the other parties thereto; (vii) any warrant agreement relating to the Warrants will be governed by the laws of the State of New York; and (viii) any Securities issuable upon conversion, exchange or exercise of any Security being offered or issued will be duly authorized, created and, if appropriate, reserved for issuance upon such conversion, exchange or exercise, we are of opinion that:

1. With respect to Debt Securities to be issued by the Company under the applicable Indenture, assuming the applicable Indenture has been duly authorized and validly executed and delivered by the applicable Trustee, when (a) the applicable Trustee is qualified to act in such capacity under the applicable Indenture, (b) the applicable Indenture has been duly authorized and validly executed and delivered by the Company to the applicable Trustee, (c) the applicable Indenture has been duly qualified under the Trust Indenture Act of 1939, as amended, (d) the Board of Directors of the Company or a duly constituted and acting committee thereof (such Board of Directors or committee being hereinafter referred to as the "Board") has taken all necessary corporate action to approve the issuance and terms of such Debt Securities, the terms of the offering thereof and related matters and (e) such Debt Securities have been duly executed, authenticated, issued and delivered in accordance with the provisions of the applicable Indenture, including any supplemental indenture thereto, and the applicable definitive purchase,

underwriting or similar agreement approved by the applicable Board, upon payment of the consideration therefor provided for therein, such Debt Securities will be validly issued and will constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their terms (subject to applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer and other similar laws affecting creditors' rights generally from time to time in effect and to general principles of equity, including, without limitation, concepts of materiality, reasonableness, good faith and fair dealing, regardless of whether considered in a proceeding in equity or at law).

2. With respect to the Warrants, assuming the warrant agreement relating to the Warrants has been duly authorized and validly executed and delivered by the Company, the warrant agent appointed by the Company and each other party thereto, when (a) the applicable Board has taken all necessary corporate action to approve the creation, issuance and terms of such Warrants, the terms of the offering thereof and related matters, (b) if such Warrants are exercisable for Common Stock, the actions necessary for the Common Stock to be validly issued have been taken, (c) if such Warrants are exercisable for Preferred Stock, the actions necessary for the Preferred Stock to be validly issued have been taken, (d) if such Warrants are exercisable for Debt Securities, the actions necessary for the Debt Securities to constitute valid and binding obligations of the Company enforceable against the Company in accordance with their terms have been taken and (e) such Warrants or the certificates representing such Warrants have been duly executed, countersigned, registered and delivered in accordance with the provisions of the appropriate warrant agreement and the applicable definitive purchase, underwriting or similar agreement approved by the applicable Board, upon payment of the consideration therefor provided for therein, such Warrants will constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their terms (subject to applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer and other similar laws affecting creditors' rights generally from time to time in effect and to general principles of equity, including, without limitation, concepts of materiality, reasonableness, good faith and fair dealing, regardless of whether considered in a proceeding in equity or at law).

We express no opinion herein as to any provision of any Indenture, any warrant agreement relating to the Warrants, the Debt Securities or the Warrants that (a) relates to the subject matter jurisdiction of any Federal court of the United States of America, or any Federal appellate court, to adjudicate any controversy related thereto, (b) contains a waiver of an inconvenient forum, (c) relates to the waiver of rights to jury trial or (d) provides for indemnification, contribution or limitations on liability. We also express no opinion as to (i) the enforceability of the provisions of any Indenture, any warrant agreement relating to the Warrants, the Debt Securities or the Warrants to the extent that such provisions constitute a waiver of illegality as a defense to performance of contract obligations or any other defense to performance that cannot, as a matter of law, be effectively waived or (ii) whether a state court outside the State of New York or a Federal court of the United States would give effect to the choice of New York law provided for therein.

We are admitted to practice only in the State of New York and express no opinion as to matters governed by any laws other than the laws of the State of New York and the Federal laws of the United States of America. In particular, we do not purport to pass on any matter governed by the laws of the State of North Carolina. Insofar as the opinions expressed herein

relate to or depend upon matters governed by the laws of the State of North Carolina as they relate to the Company, we have relied upon and assumed the correctness of, without independent investigation, the opinion of Robinson, Bradshaw & Hinson, P.A., which is being delivered to you and filed with the Commission as an exhibit to the Registration Statement.

We understand that we may be referred to under the heading "Legal Matters" in the prospectus and in a supplement to the prospectus forming a part of the Registration Statement, and we hereby consent to such use of our name in said Registration Statement and to the use of this opinion for filing with said Registration Statement as Exhibit 5.1 thereto. In giving this consent, we do not hereby admit that we are within the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Commission promulgated thereunder.

Very truly yours,

Attention: Mr. James A.J. Nickolas

Ladies and Gentlemen:

We have served as North Carolina counsel to Martin Marietta Materials, Inc. (the "Company") in connection with the preparation of an automatic shelf registration statement on Form S-3 (the "Registration Statement") to be filed today by the Company with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended (the "Securities Act"). The Registration Statement relates to the issuance and sale from time to time, pursuant to Rule 415 of the General Rules and Regulations of the Commission promulgated under the Securities Act, of the following securities: (i) one or more series of debt securities of the Company (the "Debt Securities"); (ii) one or more series of preferred stock, par value \$0.01 per share, of the Company (the "Preferred Stock"); (iii) common stock, par value \$0.01 per share, of the Company (the "Common Stock"); (iv) warrants entitling holders to purchase Common Stock, Preferred Stock or Debt Securities, or any combination thereof, from the Company at a future date or dates (the "Warrants" and, together with the Debt Securities, the Preferred Stock and the Common Stock, the "Securities"). The Securities are to be sold pursuant to a purchase, underwriting or similar agreement in substantially the form to be filed under a Current Report on Form 8-K.

The Debt Securities are to be issued pursuant to an Indenture dated as of May 22, 2017 between the Company and Regions Bank, an Alabama state chartered bank, as Trustee (in such capacity, the "Senior Indenture Trustee"), which is filed as Exhibit 4.4 to the Registration Statement, as supplemented from time to time by supplemental indentures thereto, including by the First Supplemental Indenture dated as of May 22, 2017 between the Company and the Senior Indenture Trustee, the Second Supplemental Indenture dated as of December 20, 2017 between the Company and the Senior Indenture Trustee, and the Third Supplemental Indenture dated as of March 16, 2020 between the Company and the Senior Indenture Trustee, which are filed as Exhibits 4.5, 4.6 and 4.7 to the Registration Statement, respectively (as so supplemented, the "Senior Indenture"), or a subordinated debt securities indenture (the "Subordinated Indenture," together with the Senior Indenture, the "Indentures," and each as applicable to the Debt Securities issued thereunder as the "Indenture"), the form of which has been filed as Exhibit 4.8 to the Registration Statement, to be entered into by the Company and Regions Bank, an Alabama state chartered bank, as Trustee (in such capacity, the "Subordinated Indenture Trustee," which, together with the Senior Indenture Trustee, is generically referred to as the "Trustee"). The Debt Securities are to be issued in the forms set forth in the Indentures. Each Indenture may be supplemented, as applicable, in connection with the issuance of each such series of Debt Securities, by a supplemental indenture or other appropriate action of the Company creating such series of Debt Securities.

This opinion is being furnished in accordance with the requirements of Item 601(b)(5) of Regulation S-K promulgated under the Securities Act. A copy of this opinion letter is also being provided to Cravath, Swaine & Moore LLP, counsel assisting the Company in the filing of the Registration Statement, with the understanding that Cravath, Swaine & Moore LLP will rely upon this opinion letter in providing its opinion in accordance with the requirements of Item 601(b)(5) of Regulation S-K promulgated under the Securities Act.

In rendering the opinions expressed herein, we have reviewed such matters of law and examined original, or copies certified or otherwise identified, of the Restated Articles of Incorporation of the Company, as amended, and the Restated Bylaws of the Company (collectively, the "Governing

Instruments”), the Indentures and such other documents, records, agreements and certificates as we have deemed necessary as a basis for the opinions expressed herein. In such review, we have assumed the genuineness of all signatures, the capacity of all natural persons, the authenticity of all documents and certificates submitted to us as originals or duplicate originals, the conformity to original documents and certificates of the documents and certificates submitted to us as certified, photostatic, conformed, electronic or facsimile copies, the authenticity of the originals of such latter documents and certificates, the accuracy and completeness of all statements contained in all such documents and certificates, and the integrity and completeness of the minute books and records of the Company to the date hereof. As to all questions of fact material to the opinions expressed herein that have not been independently established, we have relied, without investigation or analysis of any underlying data, upon certificates and statements of public officials and representatives of the Company. To the extent that the Company’s obligations will depend on the enforceability of a document against other parties to such document, we have assumed that such document is enforceable against such other parties.

The opinions set forth herein are further subject to the following assumptions, qualifications, limitations and exceptions being true and correct at the time of delivery of any Securities to be offered and sold under the Registration Statement:

(a) the Registration Statement and any amendments thereto (including post-effective amendments) shall be effective under the Securities Act, and the applicable Indenture shall have been qualified under the Trust Indenture Act of 1939, as amended;

(c) such Securities shall be offered, issued and sold in compliance with applicable federal and state securities laws and in the manner described in the Registration Statement and the applicable prospectus supplement;

(d) all necessary corporate action shall have been taken to authorize the issuance of such Securities and any other securities issuable upon conversion, exchange, exercise, redemption or settlement thereof, and to establish the terms thereof, so as not to violate any applicable law, result in a default under or breach of any agreement or instrument binding upon the Company or conflict with any requirement, restriction or order imposed by any court or governmental body having jurisdiction over the Company;

(e) a definitive purchase, underwriting or similar agreement with respect to the issuance and sale of such Securities (the “Underwriting Agreement”) shall have been duly authorized, validly executed and delivered by the Company and the other parties thereto;

(f) any securities issuable upon conversion, exchange, exercise, redemption or settlement of such Securities shall have been duly authorized, created and, if appropriate, reserved for issuance upon such conversion, exchange, exercise, redemption or settlement;

(g) such Securities shall have been delivered (i) in accordance with the provisions of the applicable Underwriting Agreement upon receipt by the Company of the consideration therein provided, which consideration shall be lawful, or (ii) upon conversion, exchange, exercise, redemption or settlement of any other Security, in accordance with the terms of such Security or the instrument governing such Security providing for such conversion, exchange, exercise, redemption or settlement and upon receipt by the Company of the consideration specified by such Security or instrument, which consideration shall be lawful;

(h) in the case of any series of Debt Securities issuable under the Indentures:

- all necessary corporate action shall have been taken to authorize, designate and establish the terms of such Debt Securities in accordance with the terms of the applicable Indenture so as not to violate any applicable law, and such Debt Securities shall not include any provision that is unenforceable;
- with respect to such Debt Securities that are issuable under the Senior Indenture that the Senior Indenture has been duly authorized, executed and delivered by the Senior Indenture Trustee, and with respect to such Debt Securities that are issuable under the Subordinated Indenture that the Subordinated Indenture shall have been duly authorized, executed and delivered by the Subordinated Indenture Trustee;
- any required supplement, amendment or modification to the applicable Indenture (a "Supplemental Indenture") shall have been executed and delivered by the Company and the Trustee; and
- forms of such Debt Securities complying with the terms of the Indenture and evidencing such Debt Securities shall have been duly executed, authenticated, issued and delivered in accordance with the provisions of the Indenture;

(i) in the case of shares of Preferred Stock of any series, all necessary corporate action shall have been taken to authorize, designate and establish the terms of such series and fix the designations, relative rights, preferences and limitations thereof, and the Company shall have filed with the Secretary of State of the State of North Carolina, as required by Section 55-6-02(b) of the North Carolina Business Corporation Act, articles of amendment (the "Articles of Amendment") with respect to such Preferred Stock;

(j) in the case of shares of Preferred Stock or Common Stock, certificates representing such shares in the proper form shall have been duly executed, countersigned, registered and delivered, or if uncertificated, valid book-entry notations shall have been made in the share register of the Company, in each case in accordance with the Governing Instruments; there shall be sufficient shares of Preferred Stock or Common Stock, as the case may be, authorized under the Governing Instruments and not otherwise issued or reserved for issuance; and the purchase price payable to the Company for such shares, or if shares are issuable upon conversion, exchange, exercise, redemption or settlement of other Securities, the consideration payable to the Company for such conversion, exchange, exercise, redemption or settlement, shall be lawful consideration that is not less than the amount of adequate consideration therefor as set by the Board of Directors of the Company or an authorized committee thereof;

(k) in the case of the Warrants, all necessary corporate action shall have been taken to authorize and establish the terms thereof and the terms of the Securities purchasable thereunder, including the actions referred to in paragraphs (h) and (i) above with respect to any Debt Securities and Preferred Stock, respectively, purchasable under such Warrants; the warrant agreement or agreements relating to the Warrants have been duly authorized and validly executed and delivered by the Company and the warrant agent appointed by Company; the Warrants or certificates representing the Warrants have been duly executed, countersigned, registered and delivered in accordance with the appropriate warrant agreement or agreements; and

(l) in the case of any Supplemental Indenture, Articles of Amendment, Underwriting Agreement or other agreement or instrument pursuant to which any Securities are to be issued, there shall be no terms or provisions contained therein that would affect the validity of any of the opinions rendered herein.

Based upon the foregoing, and subject to all the assumptions, qualifications, limitations and exceptions set forth herein, we are of the opinion that:

1. The Company is a corporation duly incorporated and validly existing under the laws of the State of North Carolina.
2. The shares of Preferred Stock and Common Stock included in the Securities will, when issued, have been duly authorized and validly issued and will be fully paid and nonassessable.
3. The Debt Securities will, when issued, have been duly authorized, executed and delivered by the Company.
4. The Warrants will, when issued, have been duly authorized, executed and delivered by the Company.

The foregoing opinions are limited to the federal laws of the United States and the laws of the State of North Carolina, and we are expressing no opinion as to the effect of the laws of other jurisdictions. This opinion is limited to the matters stated herein, and no opinion is implied or may be inferred beyond the matters expressly stated herein.

We are members of the Bar of the State of North Carolina and do not purport to be experts in the laws of any jurisdiction other than the State of North Carolina and the federal laws of the United States of America.

In this regard, the Secretary is further authorized to establish, implement, interpret, and enforce policies and procedures governing the use of the seal and the authorization by the Secretary of officers and employees of the Bank to have custody of and to use the seal. Such policies and procedures may include (i) the right of the Secretary to appoint any Bank employee as an Assistant Secretary of the Bank, if such appointment would, in the Secretary's judgment, be convenient with respect to such employee's custody and use of a seal and/or (ii) the right of the Secretary to authorize Bank employees to have and use seals as delegates of the Secretary without appointing such employees as Assistant Secretaries of the Bank.

#### **Section 8. Fiscal Year.**

The fiscal year of the Bank shall be the calendar year.

#### **Section 9. Checks, Drafts, Transfers, etc.**

The Chief Executive Officer, the President, any vice president or director, any Assistant Vice President, any Branch Manager or any other employee designated by the Board of Directors is authorized and empowered on behalf of the Bank and in its name to sign and endorse checks and warrants; to execute and deliver any and all documents that are necessary or desirable in connection with the opening of customer deposit accounts with the Bank, including, without limitation, documents requested or required by a third party in connection with the opening or rollover of individual retirement accounts to the Bank or otherwise; draw drafts; issue and sign cashier's checks; guarantee signatures; give receipts for money due and payable to the Bank; and sign such other papers and do such other acts as are necessary in the performance of his or her duties. The authority conveyed to any employee designated by the Board of Directors may be limited by general or specific resolution of the Board of Directors.

#### **Section 10. Notice and Waiver of Notice.**

Whenever any notice whatever is required to be given under the provisions of any law or under the provisions of the Articles of Incorporation of the Bank or these By-Laws, a waiver thereof in writing, signed by the person or persons entitled to notice, whether before or after the time stated therein, shall be deemed equivalent thereto. Attendance of a person at a meeting shall constitute a waiver of notice of such meeting, except when the person attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of business at the meeting because the meeting is not lawfully called or convened.

## **Section 11. Right of Indemnity.**

To the full extent provided for and in accordance with the Corporation Law, and specifically Section 10A-2-8.50 et seq., the Bank shall indemnify and hold harmless each Director and each officer now or hereafter serving the Bank against any loss and reasonable expenses actually and necessarily incurred by him or her in connection with the defense of any claim, or any action, suit or proceeding against him or her or in which he or she is made a party, by reason of him or her being or having been a Director or officer of the Bank, or who, while a Director or officer of the Bank, is or was serving at the Bank's request as a director, officer, partner, trustee, employee, or agent of another foreign or domestic corporation, partnership, joint venture, trust, employee benefit plan, or other enterprise. Such right of indemnity shall not be deemed exclusive of any other rights to which such Director or officer may be entitled under any statute, article of incorporation, rule of law, other bylaw, agreement, vote of shareholders or directors, or otherwise. Nor shall anything herein contained restrict the right of the Bank to indemnify or reimburse any officer or Director in any proper case even though not specifically provided for herein.

Notwithstanding anything to the contrary, the Bank shall not make or agree to make any indemnification payment to a Director or officer or any other institution-affiliated party (as such term is defined in 12 CFR § 359.1) with respect to (i) any civil money penalty or judgment resulting from any administrative or civil action instituted by any federal banking agency, except in full compliance with 12 CFR Part 359, (ii) any assessment, order of restitution, penalty, or similar liability imposed under authority of the Alabama Banking Code, or (iii) any liability for violation of Section 10A-2-8.33 of the Corporation Law.

In advance of final disposition, the Bank may, but is not required to, pay for or reimburse the reasonable expenses incurred by a person who may become eligible for indemnification under this Article V, provided the conditions set forth in Section 10A-2-8.53 of the Corporation Law (and, if applicable, 12 CFR § 359.5) shall have been satisfied.

The Bank may purchase and maintain insurance on behalf of said Directors or officers against liability asserted against or incurred by a Director or officer acting in such capacity as described in these By-Laws. Such insurance coverage shall not be used to pay or reimburse a person for the cost of 0) any judgment or civil money penalty assessed against such person in an administrative proceeding or civil action commenced by any federal banking agency or (ii) any assessment or penalty imposed under authority of the Alabama Banking Code. Such insurance coverage may be used to pay any legal or professional expenses incurred in connection with such proceeding or action or the amount of any restitution to the Bank. Any insurance coverage of legal or professional expenses will be coordinated with the Bank's determination whether to advance expenses in advance of final disposition, taking into account the terms and conditions of the coverage and the requirements of Section I OA-2-8.53 of the Corporation Law.

The authority to execute and deliver documents, instruments and agreements may be limited by resolution of the Board of Directors or a committee of the Board of Directors, by the Chief Executive Officer, or by the President, by reference to subject matter, category, amount, geographical location, or any other criteria and may be made subject to such policies, procedures and levels of approval as may be adopted or amended from time to time.

#### **Section 1. Number of Term.**

The number of Directors that shall constitute the whole Board of Directors shall be fixed, from time to time, by resolutions adopted by the Board of Directors, but shall not be less than three persons. In the absence of the Chair of the Board of Directors, or in the case he or she is unable to preside, the Lead Independent Director, if at the time a Director of the Bank has been designated by the Board of Directors as such, shall have and exercise all powers and duties of the Chair of the Board of Directors and shall preside at all meetings of the Board of Directors. The vote of a majority of the Directors present at a meeting at which a quorum is present shall be the act of the Board of Directors unless the Articles of Incorporation or these By-Laws shall require a vote of a greater number.

#### **Section 9. Compensation.**

Unless otherwise restricted by the Articles of Incorporation or these By-Laws, the Board of Directors shall have the authority to fix the compensation of Directors. At its pleasure, the Board of Directors may remove any officer from office at any time by a majority vote of the Board of Directors; provided, however, that the terms of any employment or compensation contract shall be honored according to its terms. An individual's status as an officer will terminate without the necessity of any other action or ratification immediately upon termination for any reason of the individual's employment by the Bank.

## **ARTICLE V. MISCELLANEOUS**

### **Section 1. Certificates of Stock.**

Certificates of stock of the Bank shall be signed by the President and the Secretary of the Bank, which signatures may be represented by a facsimile signature. A determination of shareholders of record entitled to notice of or to vote at a meeting of shareholders shall apply to adjournment of the meeting; provided, however, that the Board of Directors may fix a new record date for the adjourned meeting.

The Bank may have a corporate seal, which shall have the name of the Bank inscribed thereon and shall be in such form as prescribed by the Board of Directors from time to time. The seal may also include appropriate descriptors, such as the words: "An Alabama Banking Corporation." The Secretary of the Bank shall have custody of the seal and is authorized to affix the same to instruments, documents, and papers as required by law or as customary or appropriate in the Secretary's judgment and discretion. Such policies and procedures may include (i) the right of the Secretary to appoint any Bank employee as an Assistant Secretary of the Bank, if such appointment would, in the Secretary's judgment, be convenient with respect to such employee's custody and use of a seal and/or (ii) the right of the Secretary to authorize Bank employees to have and use seals as delegates of the Secretary without appointing such employees as Assistant Secretaries of the Bank.

#### **Section 8. Fiscal Year.**

The fiscal year of the Bank shall be the calendar year.

Whenever any notice whatever is required to be given under the provisions of any law or under the provisions of the Articles of Incorporation of the Bank or these By-Laws, a waiver thereof in writing, signed by the person or persons entitled to notice, whether before or after the time stated therein, shall be deemed equivalent thereto. Attendance of a person at a meeting shall constitute a waiver of notice of such meeting, except when the person attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of business at the meeting because the meeting is not lawfully called or convened.

## **Section 11. Right of Indemnity.**

To the full extent provided for and in accordance with the Corporation Law, and specifically Section 10A-2-8.50 et seq., the Bank shall indemnify and hold harmless each Director and each officer now or hereafter serving the Bank against any loss and reasonable expenses actually and necessarily incurred by him or her in connection with the defense of any claim, or any action, suit or proceeding against him or her or in which he or she is made a party, by reason of him or her being or having been a Director or officer of the Bank, or who, while a Director or officer of the Bank, is or was serving at the Bank's request as a director, officer, partner, trustee, employee, or agent of another foreign or domestic corporation, partnership, joint venture, trust, employee benefit plan, or other enterprise. Such right of indemnity shall not be deemed exclusive of any other rights to which such Director or officer may be entitled under any statute, article of incorporation, rule of law, other bylaw, agreement, vote of shareholders or directors, or otherwise. Nor shall anything herein contained restrict the right of the Bank to indemnify or reimburse any officer or Director in any proper case even though not specifically provided for herein.

Notwithstanding anything to the contrary, the Bank shall not make or agree to make any indemnification payment to a Director or officer or any other institution-affiliated party (as such term is defined in 12 CFR § 359.1) with respect to (i) any civil money penalty or judgment resulting from any administrative or civil action instituted by any federal banking agency, except in full compliance with 12 CFR Part 359, (ii) any assessment, order of restitution, penalty, or similar liability imposed under authority of the Alabama Banking Code, or (iii) any liability for violation of Section 10A-2-8.33 of the Corporation Law.

In advance of final disposition, the Bank may, but is not required to, pay for or reimburse the reasonable expenses incurred by a person who may become eligible for indemnification under this Article V, provided the conditions set forth in Section 10A-2-8.53 of the Corporation Law (and, if applicable, 12 CFR § 359.5) shall have been satisfied.

The Bank may purchase and maintain insurance on behalf of said Directors or officers against liability asserted against or incurred by a Director or officer acting in such capacity as described in these By-Laws. Such insurance coverage shall not be used to pay or reimburse a person for the cost of 0) any judgment or civil money penalty assessed against such person in an administrative proceeding or civil action commenced by any federal banking agency or (ii) any assessment or penalty imposed under authority of the Alabama Banking Code. Such insurance coverage may be used to pay any legal or professional expenses incurred in connection with such proceeding or action or the amount of any restitution to the Bank. Any insurance coverage of legal or professional expenses will be coordinated with the Bank's determination whether to advance expenses in advance of final disposition, taking into account the terms and conditions of the coverage and the requirements of Section I OA-2-8.53 of the Corporation Law.

## **Section 12. Execution of Instruments and Documents.**

The Chief Executive Officer; the President; any Senior Executive Vice President, Executive Vice President, Senior Vice President, or Vice President; or any officer holding the title of Executive Managing Director, Managing Director, or Director is authorized, in his or her discretion, to do and perform any and all corporate and official acts in carrying on the business of the Bank, including, but not limited to, the authority to make, execute, acknowledge, accept and deliver any and all deeds, mortgages, releases, bills of sale, assignments, transfers, leases (as lessor or lessee), powers of attorney or of substitution, servicing or sub-servicing agreements, vendor agreements, contracts, proxies to vote stock or any other instrument in writing that may be necessary in the purchase, sale, lease, assignment, transfer, discount, management or handling in any way of any property of any description held, controlled or used by Bank or to be held, controlled or used by Bank, either in its own or in its fiduciary capacity and including the authority from time to time to open bank accounts with the Bank or any other institution; to borrow money in such amounts for such lengths of time, at such rates of interest and upon such terms and conditions as any said officer may deem proper and to evidence the indebtedness thereby created by

By way of example and not limitation, such officers of the Bank are authorized to execute, accept, deliver and issue, on behalf of the Bank and as binding obligations of the Bank, such agreements and instruments as may be within the officer's area of responsibility, including, as applicable, agreements and related documents (such as schedules, confirmations, transfers, assignments, acknowledgments, and other documents) relating to derivative transactions, loan or letter of credit transactions, syndications, participations, trades, purchase and sale or discount transactions, transfers and assignments, servicing and sub-servicing agreements, vendor agreements, contracts, securitizations, and transactions of whatever kind or description arising in the conduct of the Bank's business.

The authority to execute and deliver documents, instruments and agreements may be limited by resolution of the Board of Directors or a committee of the Board of Directors, by the Chief Executive Officer, or by the President, by reference to subject matter, category, amount, geographical location, or any other criteria and may be made subject to such policies, procedures and levels of approval as may be adopted or amended from time to time.

### **Section 13. Voting Bank's Securities.**

Unless otherwise ordered by the Board of Directors, the Chief Executive Officer, the President, any Executive Vice President or Executive Managing Director or above, the Controller, the Bank's General Counsel, and any other officer as may be designated by the Board of Directors shall have full power and authority on behalf of the Bank (i) to attend and to act and vote or (ii) to execute a proxy or proxies empowering others to attend and to act and vote, at any meetings of security holders of any of the corporations in which the Bank may hold securities and, at such meetings, such officer shall possess and may exercise any and all rights and powers incident to the ownership of such securities which, as the owner thereof, the Bank might have possessed and exercised, if present.

### **Section 14. Bonds of Officers and Employees.**

The Board of Directors shall, pursuant to the Alabama Banking Code, designate the officers and employees who shall be required to give bond and fix the amounts thereof.
