Item 8.01 Other Events.

Introduction

As previously announced, on January 27, 2014, Martin Marietta Materials, Inc., a North Carolina corporation (“Martin Marietta”), Texas Industries, Inc., a Delaware corporation (“TXI”), and Project Holdings, Inc., a North Carolina corporation and a wholly owned subsidiary of Martin Marietta (“Merger Sub”), entered into an Agreement and Plan of Merger (the “Merger Agreement”), pursuant to which Merger Sub will merge with and into TXI (the “Merger”), with TXI surviving the Merger as a wholly owned subsidiary of Martin Marietta. On May 30, 2014, Martin Marietta and TXI each filed with the Securities and Exchange Commission (the “SEC”) a definitive joint proxy statement/prospectus (the “Definitive Joint Proxy Statement/Prospectus”) in connection with the Merger, which was mailed to the shareholders of Martin Marietta and the stockholders of TXI on or about June 2, 2014. Martin Marietta is making this filing in connection with the execution of a memorandum of understanding (the “MOU”) regarding the settlement of certain litigation arising out of the announcement of the Merger Agreement.

As disclosed on page 86 of the Definitive Joint Proxy Statement/Prospectus, following announcement of the Merger Agreement, a purported stockholder of TXI filed a putative class action lawsuit against TXI and members of the TXI board, and against Martin Marietta and one of its affiliates (collectively, the “Defendants”), in the United States District Court for the Northern District of Texas (the “Court”), captioned *Maxine Phillips, Individually and on Behalf of All Others Similarly Situated v. Texas Industries, Inc., et al.*, Case 3:14-cv-00740-B (the “Phillips Action”). The plaintiff in the Phillips Action (the “Plaintiff”) alleges in an amended complaint, among other things, (i) that members of the TXI board breached their fiduciary duties to TXI’s stockholders by failing to fully disclose material information regarding the proposed transaction and by adopting the Merger Agreement for inadequate consideration and pursuant to an inadequate process, (ii) that Martin Marietta and one of Martin Marietta’s affiliates aided and abetted the TXI board in their alleged breaches of fiduciary duty and (iii) that the Registration Statement on Form S-4 filed with the SEC on March 21, 2014 in connection with the Merger contains certain material misstatements and omissions in violation of Section 14(a) and 20(a) of the Exchange Act. The Plaintiff seeks, among other things, injunctive relief enjoining TXI and Martin Marietta from proceeding with the Merger, rescission in the event the Merger is consummated, damages and an award of attorneys’ and other fees and costs.

On June 10, 2014, counsel for the Defendants entered into the MOU with counsel for the Plaintiff pursuant to which Martin Marietta and TXI have agreed to make the disclosures concerning the Merger set forth below. The MOU also provides that, solely for purposes of settlement, the Court will certify a class consisting of all persons who were record or beneficial shareholders of TXI at any time between March 25, 2013 and the consummation of the Merger (the “Class”). In addition, the MOU provides that, subject to approval by the Court after notice to the members of the Class (the “Class Members”), the Phillips Action will be dismissed with prejudice and all claims, including derivative claims, that the Class Members may possess with regard to the Merger will be released. In connection with the settlement, the Plaintiff’s counsel has expressed its intention to seek an award by the Court of attorneys’ fees and expenses. The amount of the award to the Plaintiff’s counsel will ultimately be determined by the Court. This payment will not affect the amount of merger consideration to be received by any TXI stockholder in the Merger. There can be no assurance that the parties will ultimately enter into a definitive stipulation of settlement or that the Court will approve the settlement. In the absence of either event, the proposed settlement as contemplated by the MOU may be terminated.

The Defendants each have denied, and continue to deny, that they have committed or aided and abetted in the commission of any violation of law or breaches of duty or engaged in any of the alleged wrongful acts and the Defendants expressly maintain that they diligently and scrupulously complied with their fiduciary, disclosure and other legal duties. The Defendants are entering into the MOU and the contemplated settlement solely to eliminate the risk, burden and expense of further litigation. Nothing in the MOU, any settlement agreement or any public filing, including this Current Report on Form 8-K (this “Current Report”), is or shall be deemed to be an admission of the legal necessity of filing or the materiality under applicable laws of any of the additional information contained herein or in any public filing associated with the proposed settlement of the Phillips Action.

Solely in connection with the contemplated settlement of the *Phillips* Action, Martin Marietta and TXI have agreed to make the following supplemental disclosures to the Definitive Joint Proxy Statement/Prospectus. TXI’s net operating loss carry forwards were valued separately in the context of a standalone company at approximately \$3.75 per share (which is not reflected in the reference range provided below with respect to the discounted cash flow analyses because such value did not take into consideration any potential limitation due to a change of control), and stock-based compensation was treated as a cash expense for both TXI and Martin Marietta. Proceeds from any potential sale of real estate were not incorporated into the analysis.

The following disclosure supplements and is to be inserted after the third sentence in the first paragraph under the heading “Discounted Cash Flow Analysis” on page 70 of the Definitive Joint Proxy Statement/Prospectus.

Subsequent Litigation

On May 30, 2014, a purported stockholder of Martin Marietta filed a putative class action lawsuit against Martin Marietta and members of the Martin Marietta board, and against TXI, in the Supreme Court of the State of New York, County of New York, captioned *City Trading Fund, on Behalf of Itself and All Others Similarly Situated v. C. Howard Nye, et al.*, Index No. 651668/2014 (the “*City Trading Fund* Action”). The plaintiff in the *City Trading Fund* Action alleges that Martin Marietta and its board members breached their fiduciary duties by failing to disclose material information in the Definitive Joint Proxy Statement/Prospectus, and that TXI aided and abetted such breach. The plaintiff in the *City Trading Fund* Action seeks, among other things, injunctive relief enjoining TXI and Martin Marietta from proceeding with the Merger absent additional disclosures, damages and an award of attorneys’ and other fees and costs. Martin Marietta and TXI believe the lawsuit is without merit.

Cautionary Statements Regarding Forward-Looking Statements

Certain statements in this communication regarding the proposed acquisition of TXI by Martin Marietta, the expected timetable for completing the transaction, benefits and synergies of the transaction, future opportunities for the combined company and products and any other statements regarding Martin Marietta's and TXI's future expectations, beliefs, plans, objectives, financial conditions, assumptions or future events or performance that are not historical facts are "forward-looking" statements made within the meaning of Section 21E of the Securities Exchange Act of 1934.
