Item 1.04 Mine Safety—Reporting of Shutdowns and Patterns of Violations.

On December 10, 2018, the Corporation received a section 107(a) order issued by the Mine Safety and Health Administration (“MSHA”) under the Federal Mine Safety and Health Act of 1977 at its Spanish Spring Quarry in Sparks, Nevada. The order stated that two miners were observed under an approximately 40,000 pound suspended load while attempting to remove the hopper from the primary plant. The order further stated one miner was directing the load and the other miner was trying to grab the suspension line from a third miner who was above the load. No one was injured in the cited incident. The Corporation took corrective action and the order was terminated.
